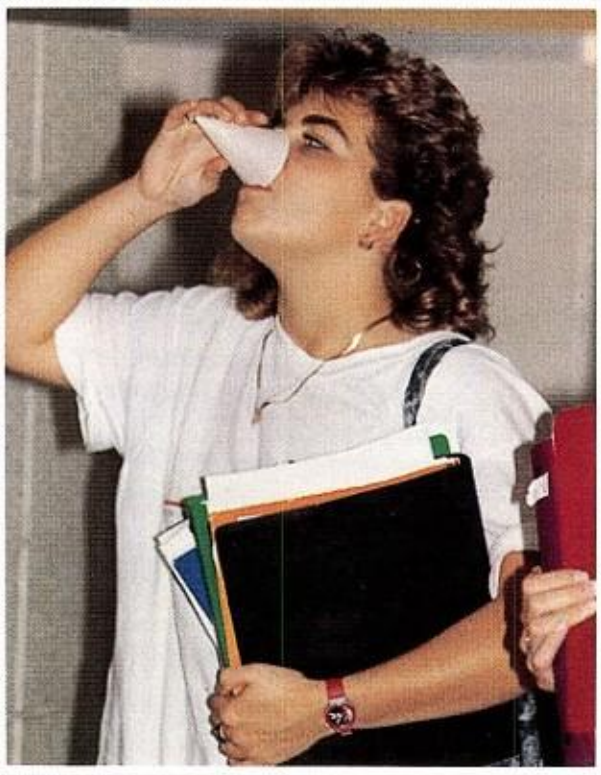
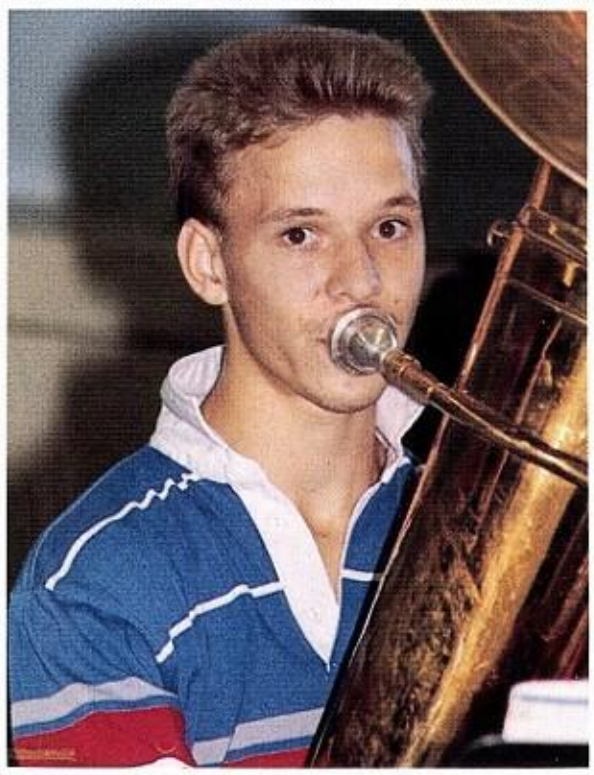
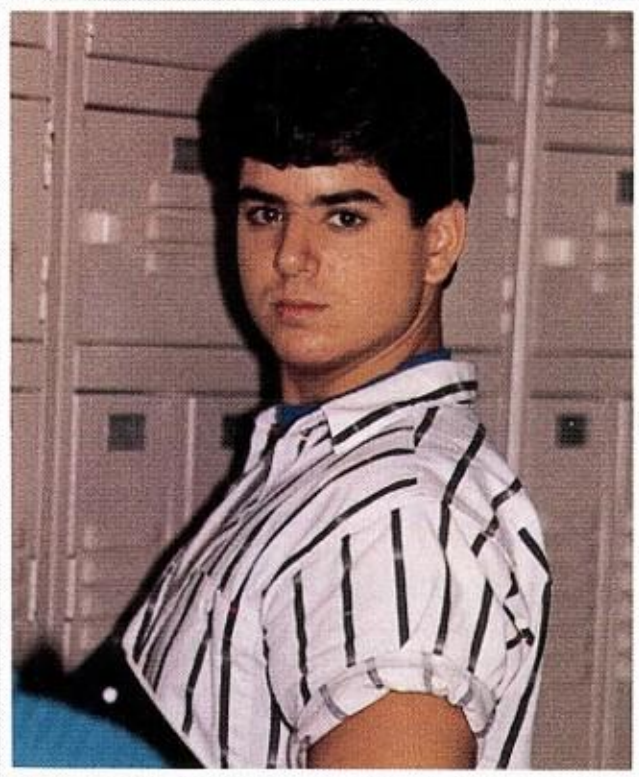
1988 - A Well Rounded Year!

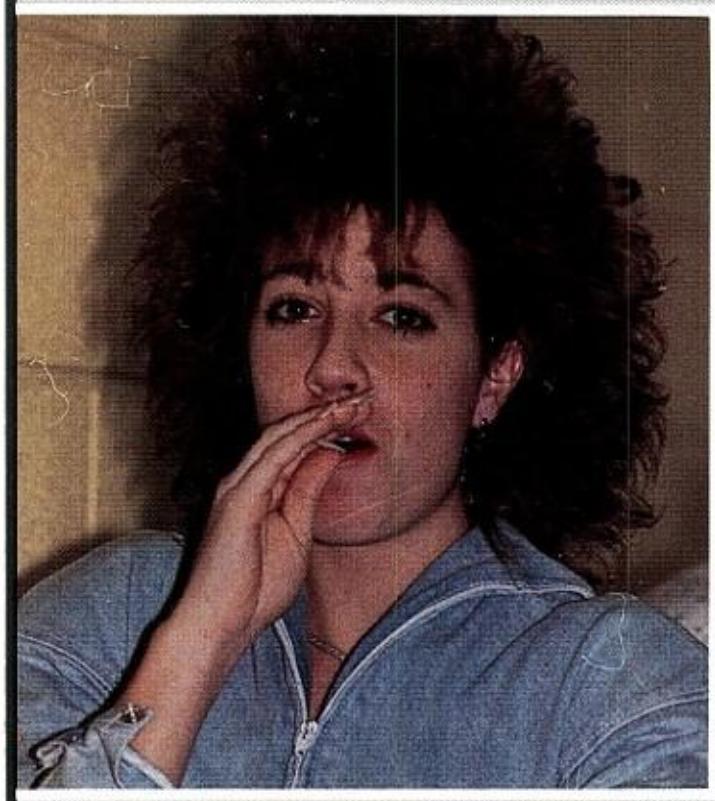
An education in all aspects of life, around the school as well as around the community; for four years in Marlboro Central High School this has been our goal.

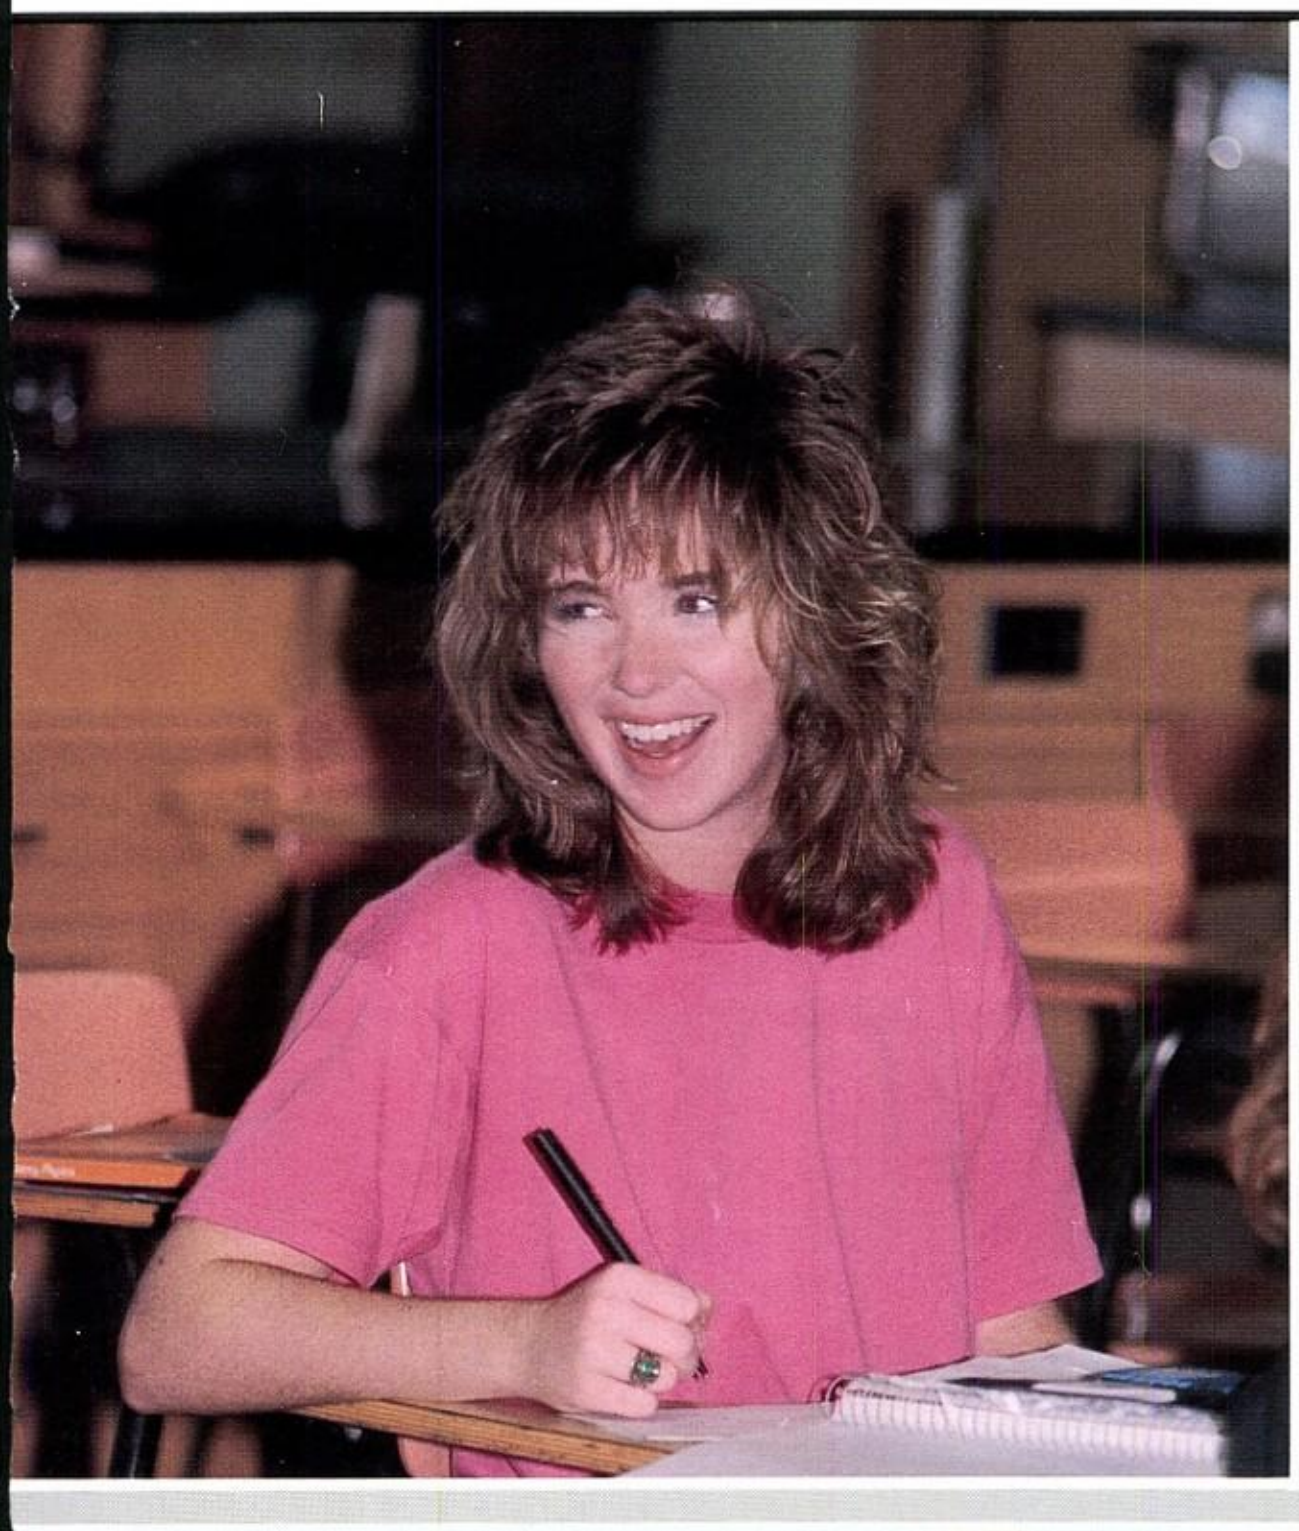
Now as graduation day nears, we can honestly say that in this well rounded year of 1988, we have received a truly well rounded education.

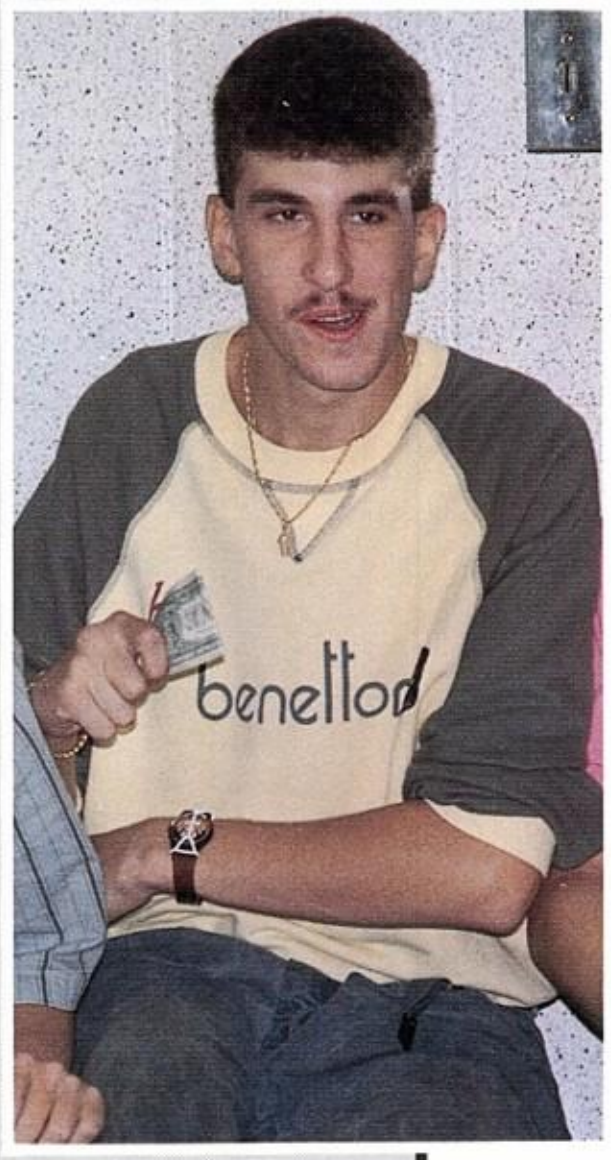




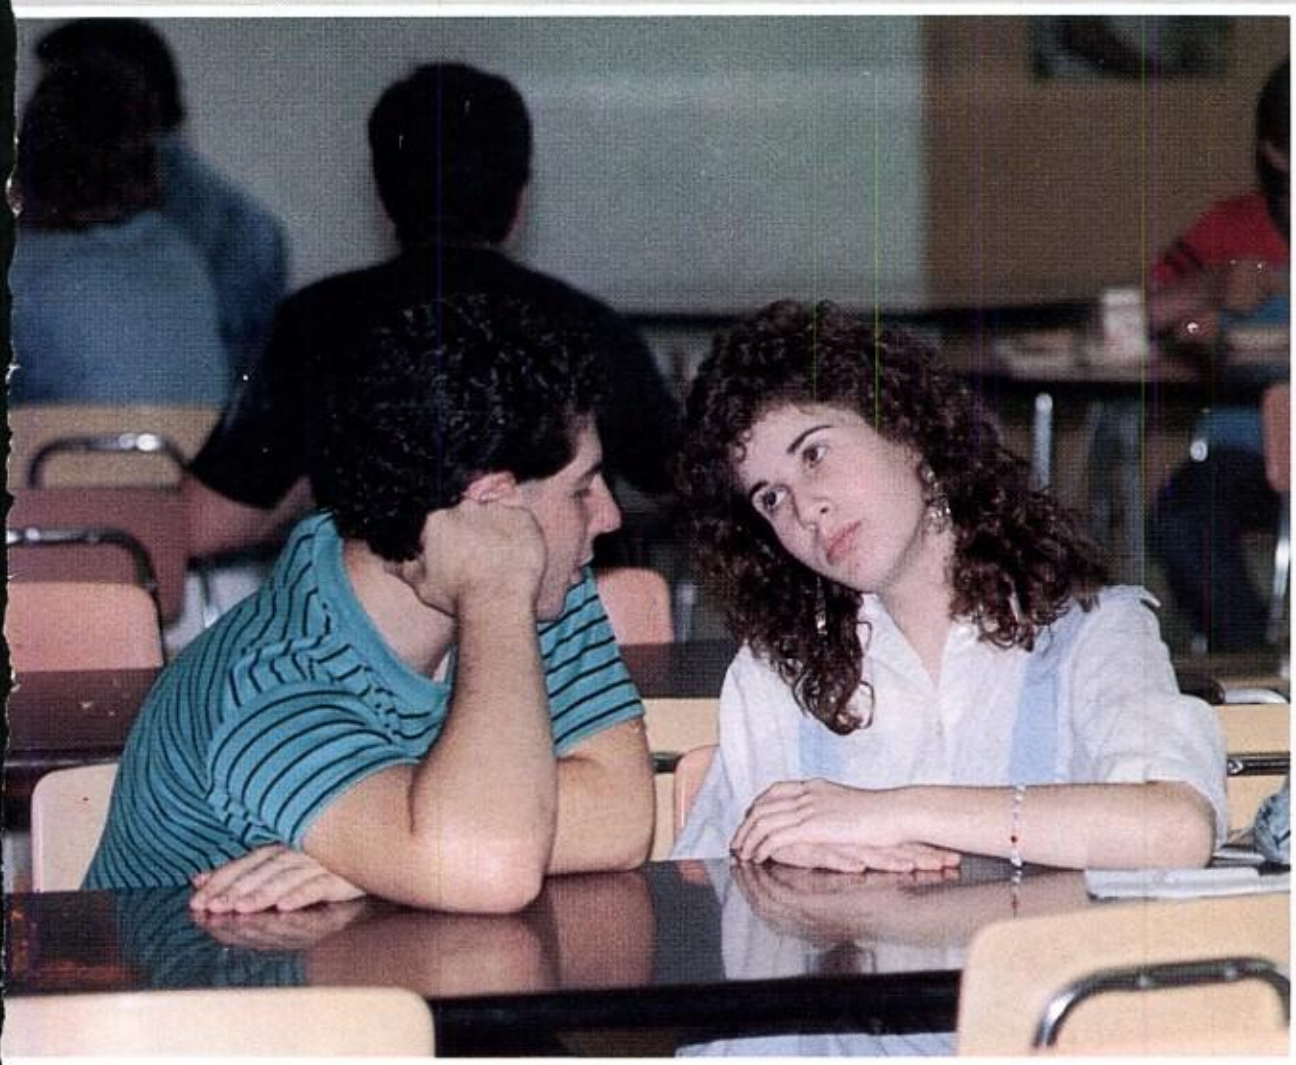


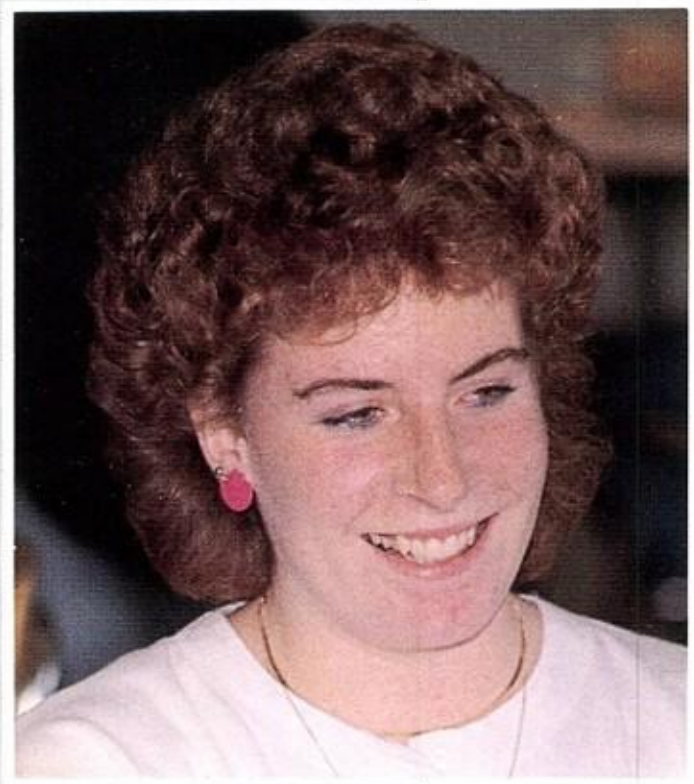


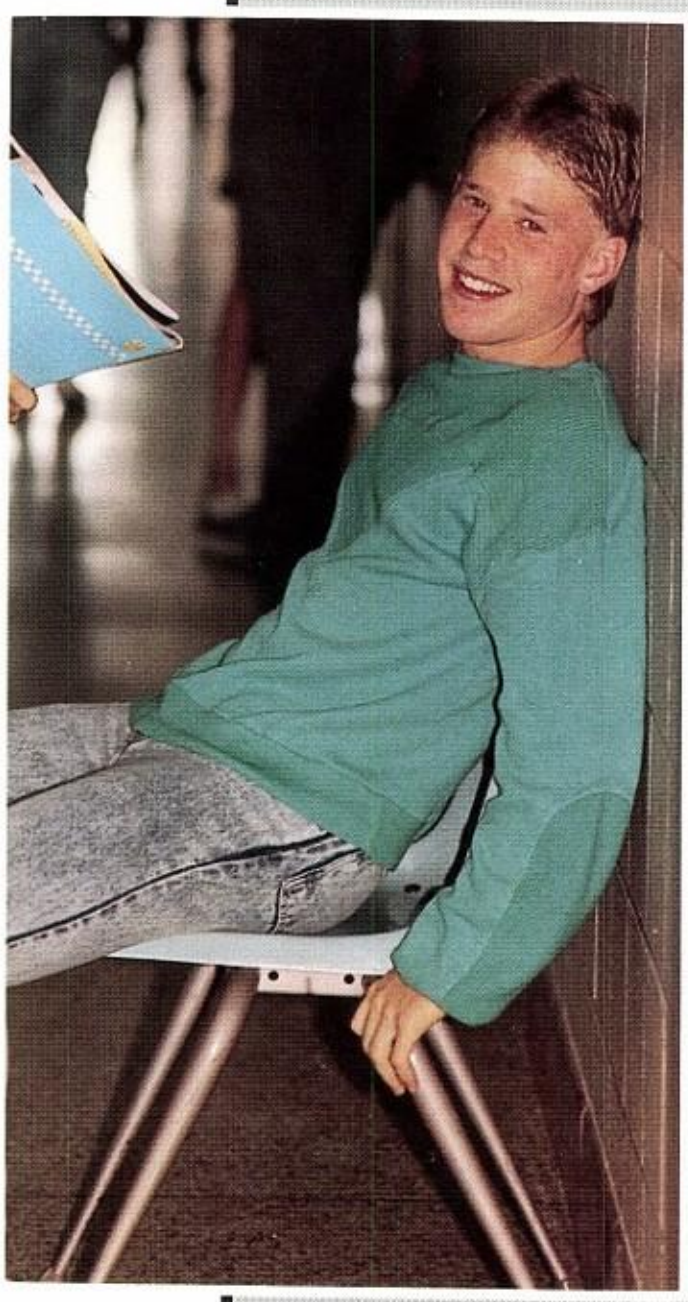


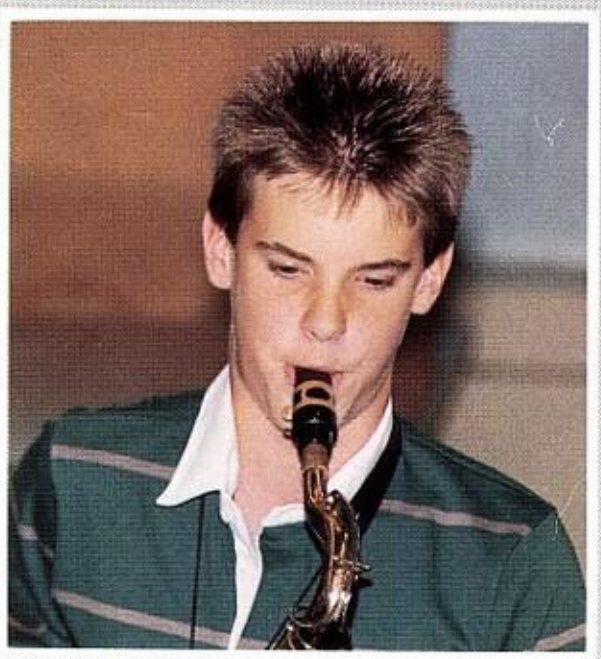


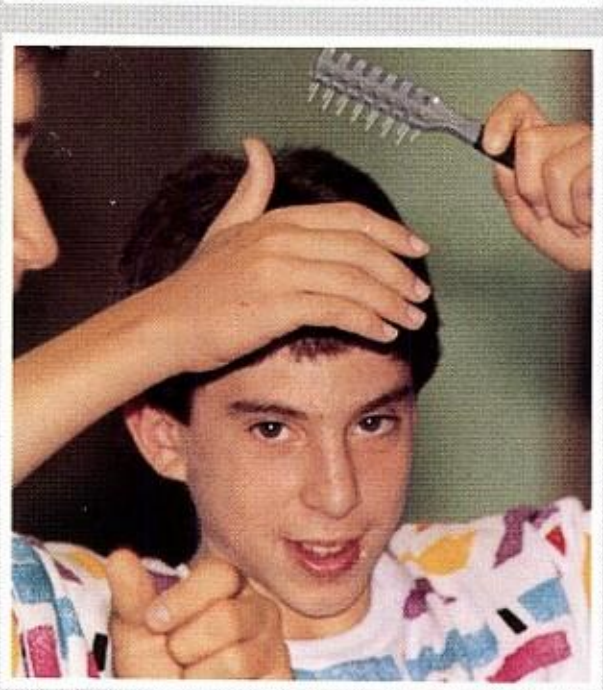
benetton





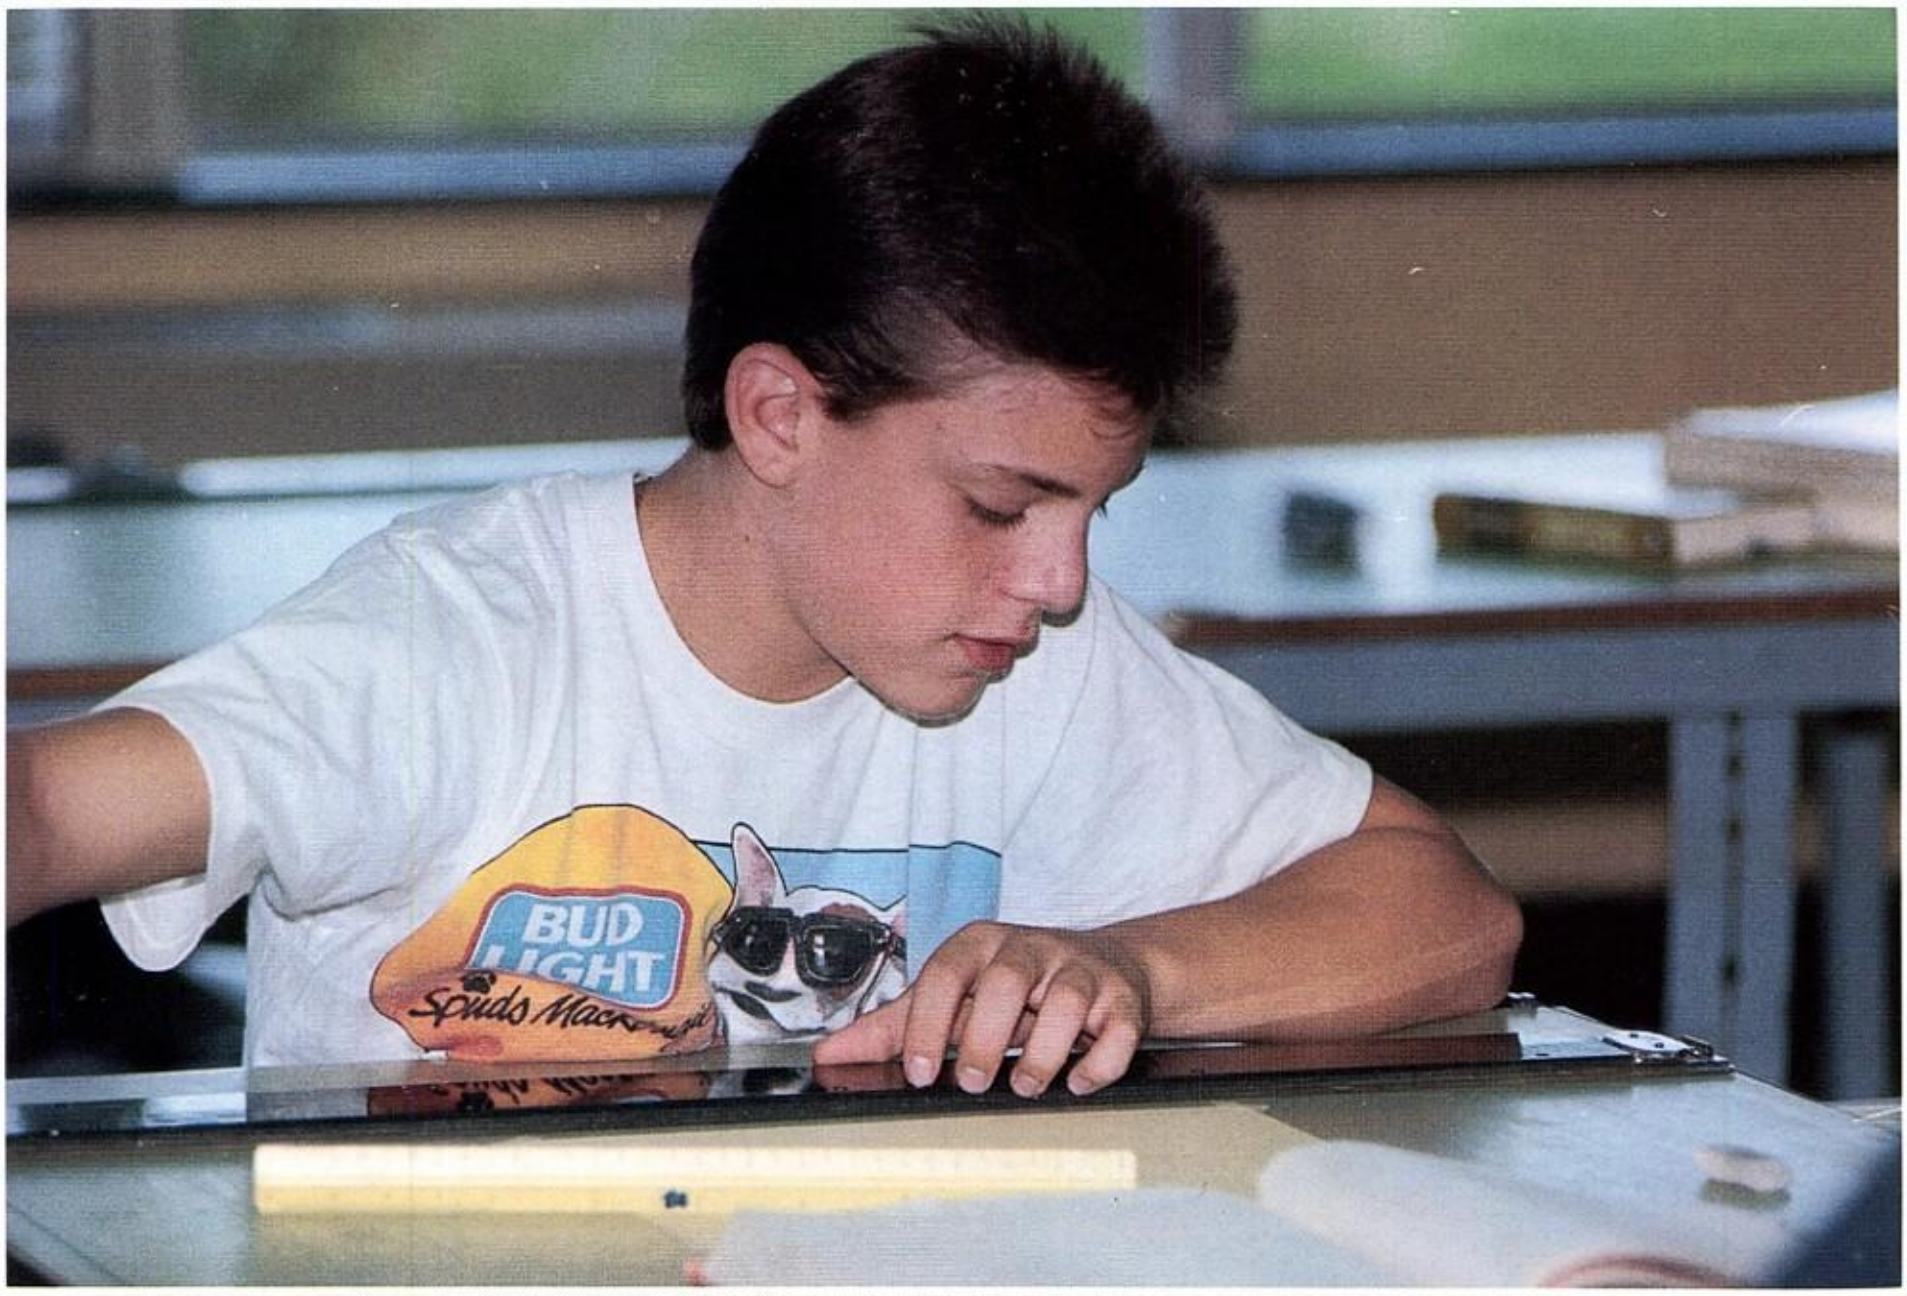






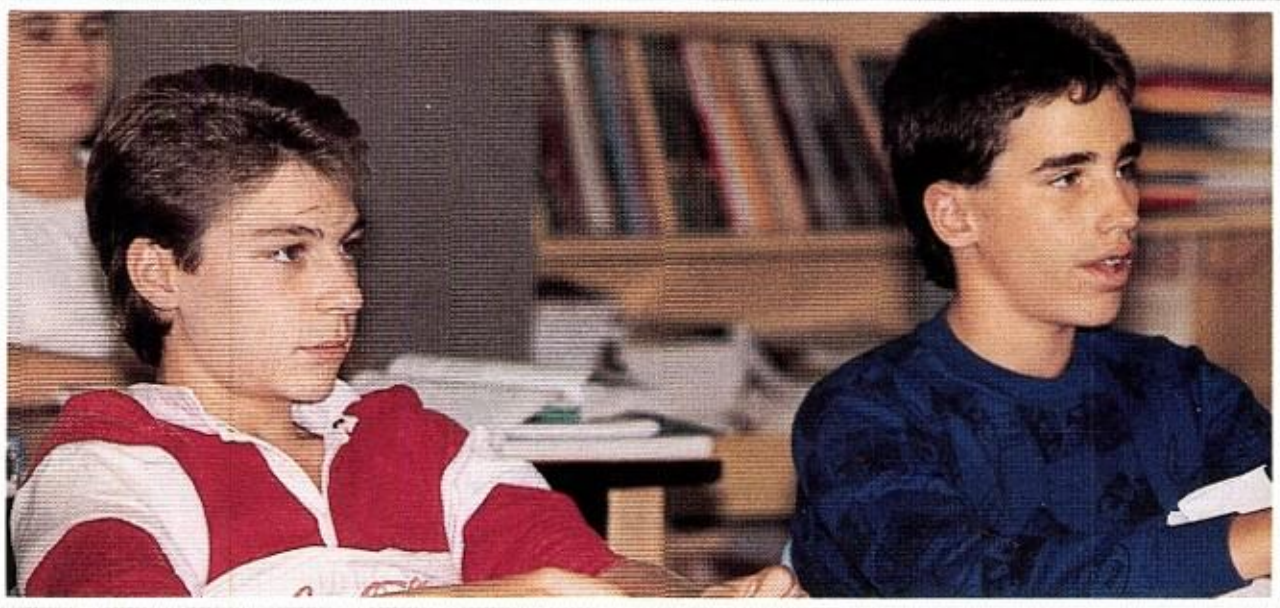
Around The School!

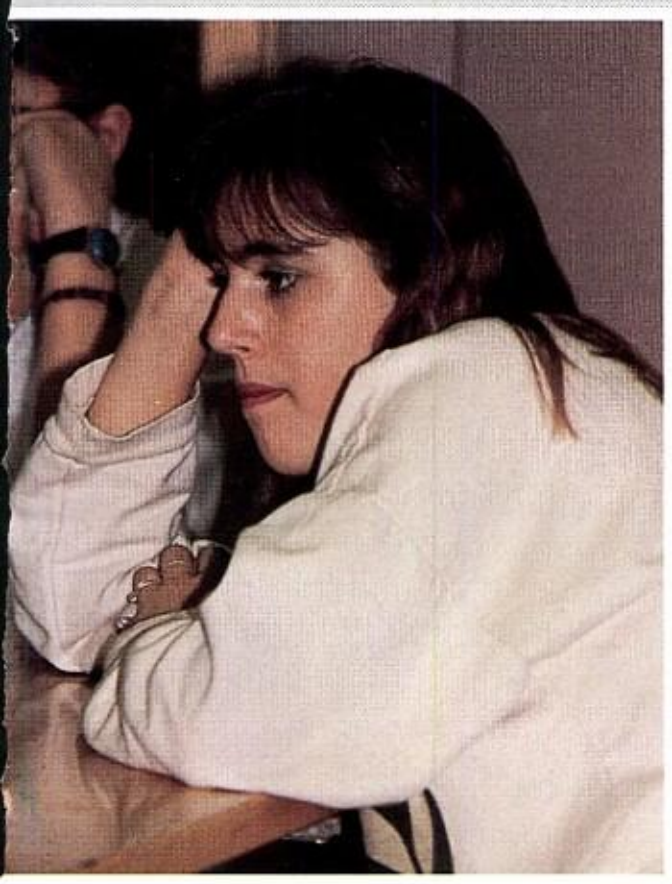
We have been offered a wide variety of courses during these years; ranging from Art, to Physics, to Foreign Language, to Music, and to Technology. We have taken various paths to graduation, and have had varying degrees of success. Through it all, our goal has been pretty much the same, an education that will prepare us for our roles as citizens in the world community.

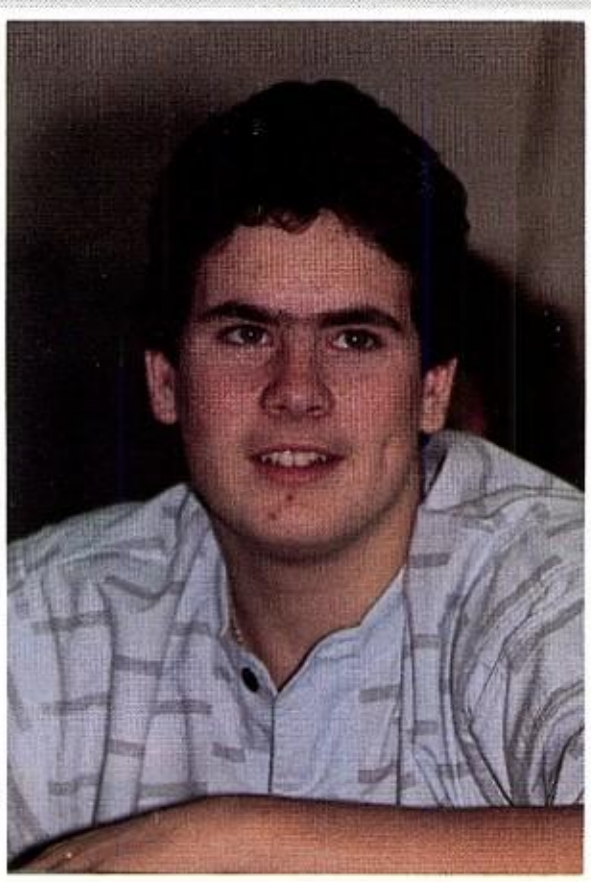


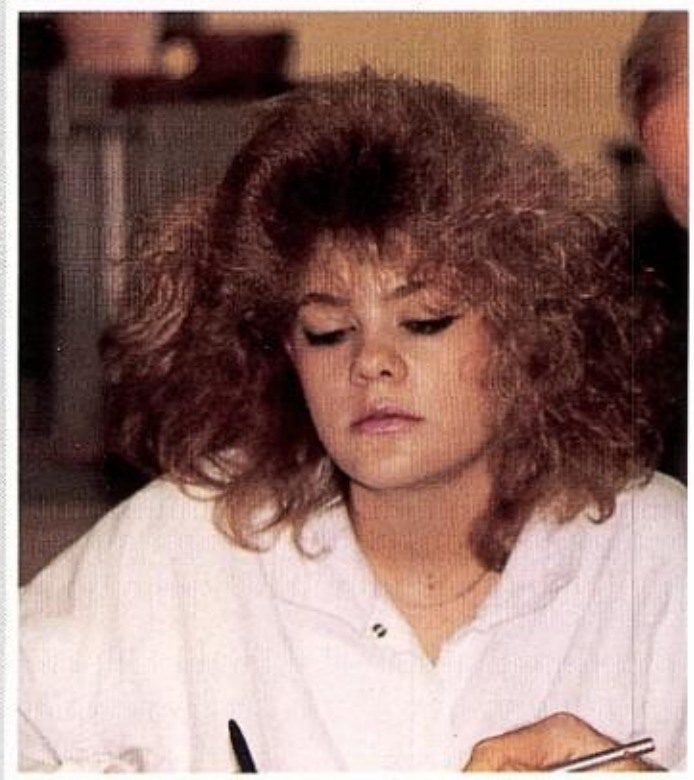
Around The Community!

Our education has not only been in the classroom. At home, on the job and during free time; we continually learn and grow in our quest to become a well rounded member of our society.









A ROUND OF APPLAUSE

What is a well rounded student? In our quest for an answer, we encounter many people who add things to our lives, hoping to help us become multi-faceted individuals. We would like to acknowledge two people who have been influencial in shaping our lives and our futures: Mr. Jack O'Donnell and Mr. Glenn Meyer. The class of 1988 would like to show its gratitude by dedicating this yearbook to them.

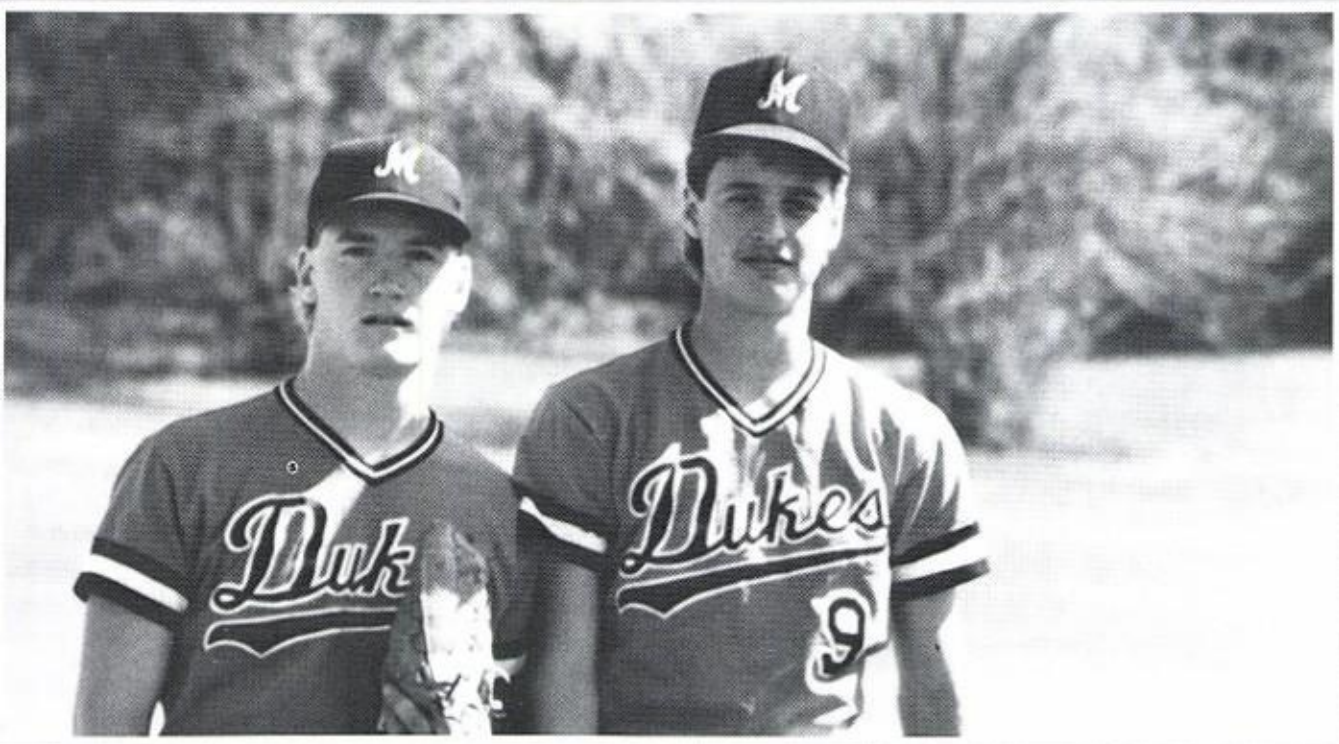
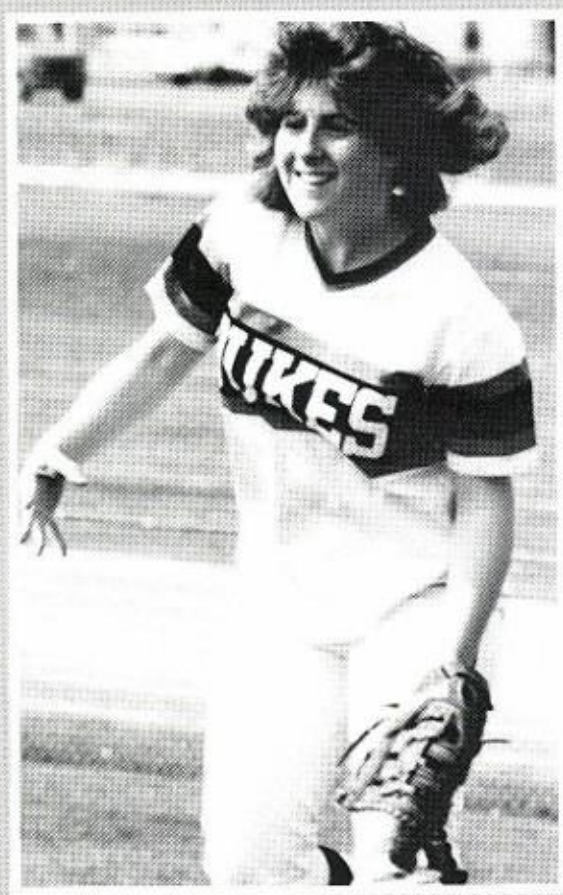
Around The Diamond

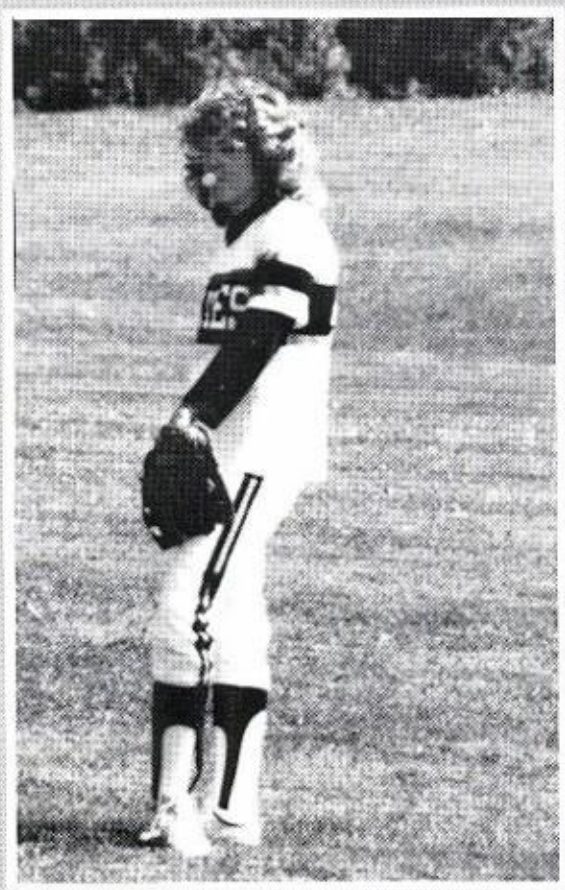
With an infield of mostly underclassmen, the Marlboro Baseball squad finished the season with a respectable 12-7 record. Dominating Section 9 class C, they once again captured the championship crown. Representing Marlboro on the All-League team were Sam Mandia and Fred Butwell.

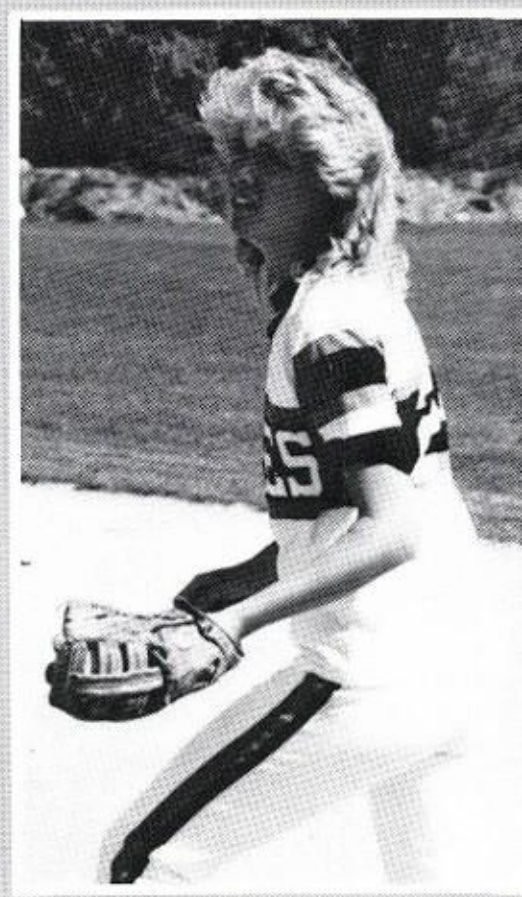


A Trip To The Playoffs

Under first year coach Ken Brooks, the Marlboro Softball team achieved a certain degree of success. The team finished with a winning record and a trip to the sectional playoffs.

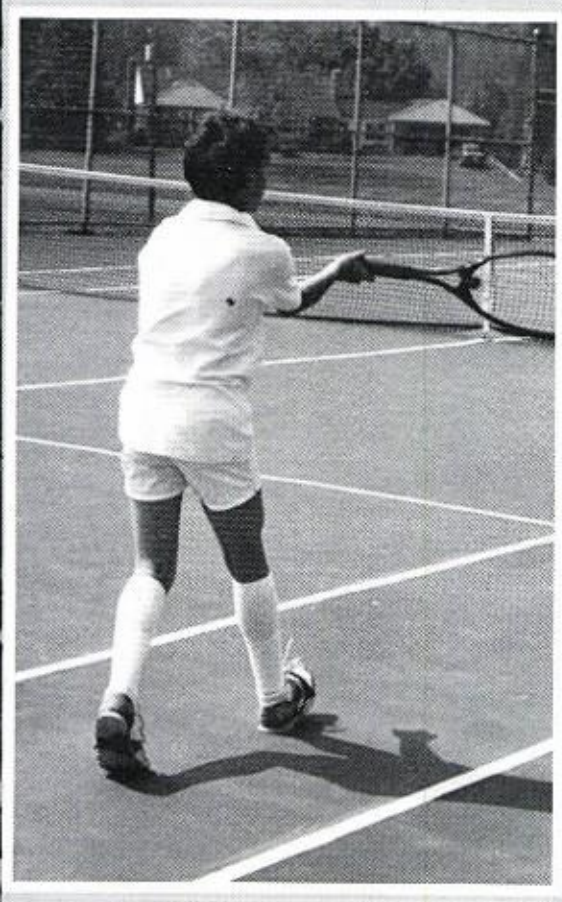


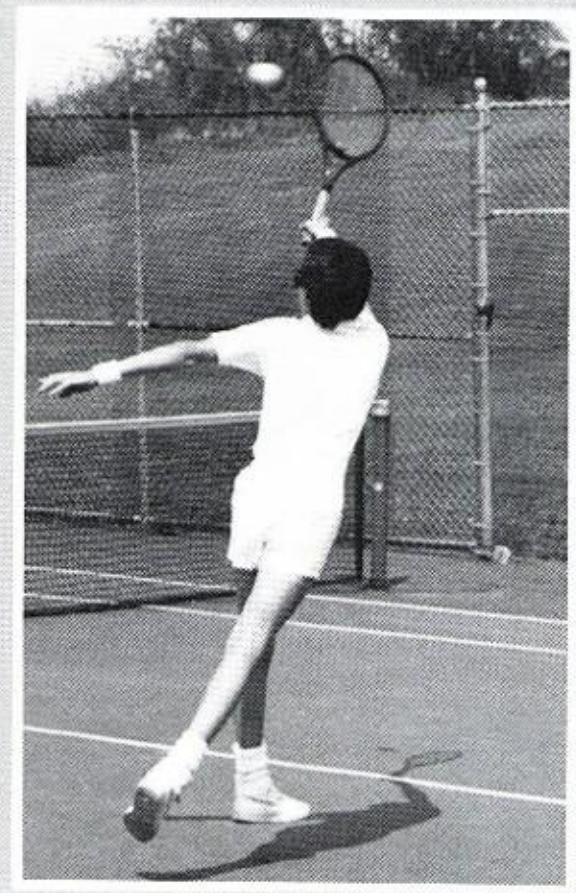


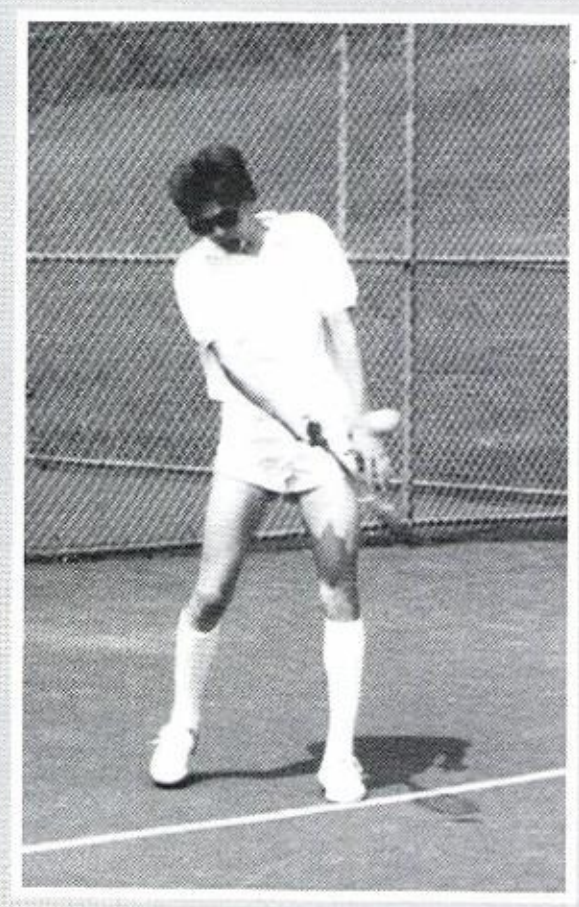


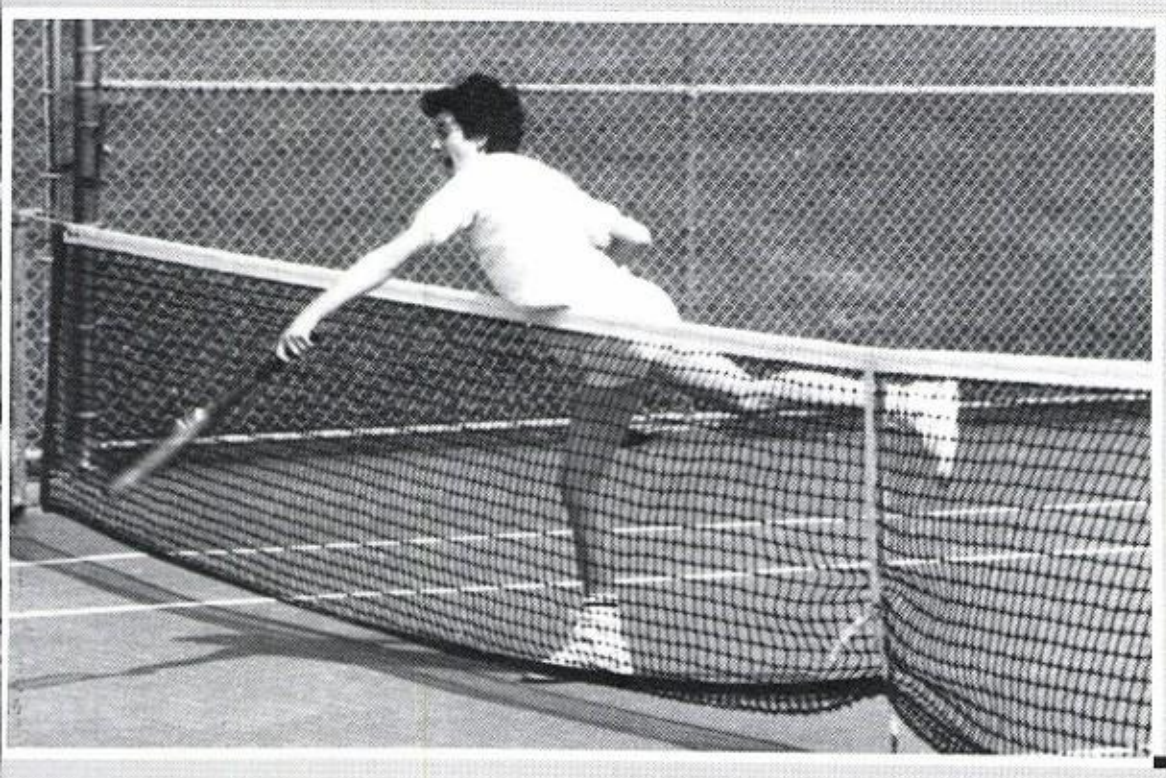
A Victory At Last

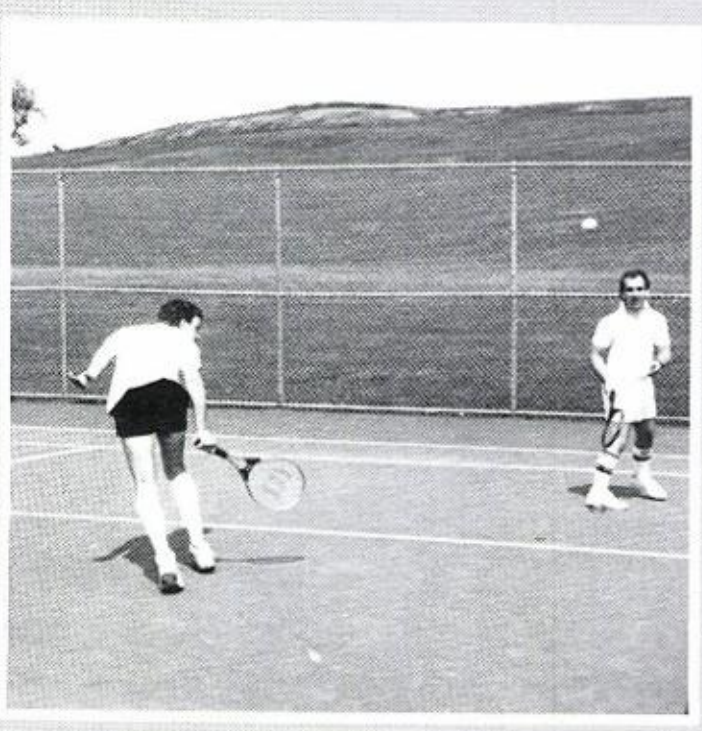
With a young squad, the Marlboro Dukes Tennis team had their first taste of victory in 2 years. The victory over Fallsburgh was the turning point of the tennis program. The team is becoming more competitive by entering in more meets and due to a growing interest in the sport. The most important thing is that the players are having fun and it is a new experience for them.











Another Championship Year

For the first time ever, the Marlboro Dukes Track team took first place in the MHAL championship meet. For the fifth year in a row, the Dukes also ran away with the Section 9 championship. The Dukes, with an undefeated record, dominated the league; the Section 9 Class C. Western Sullivan Relays, Dutchess County Invitational, and Arlington Relays can be added to Marlboro's championship list.

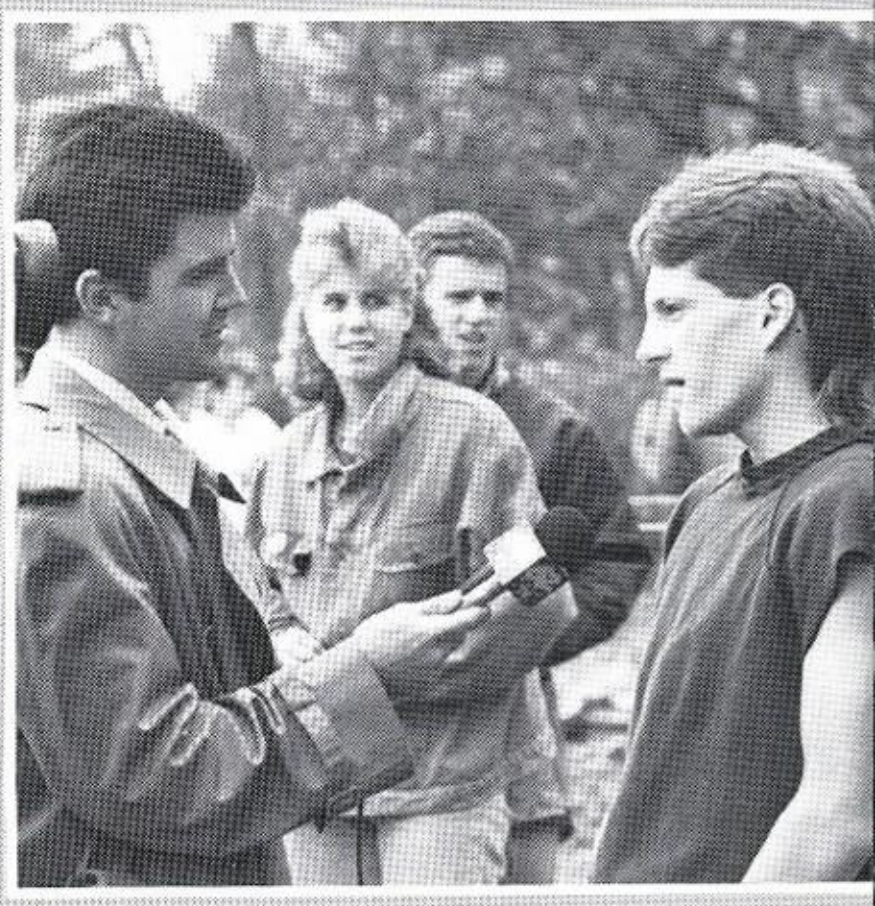
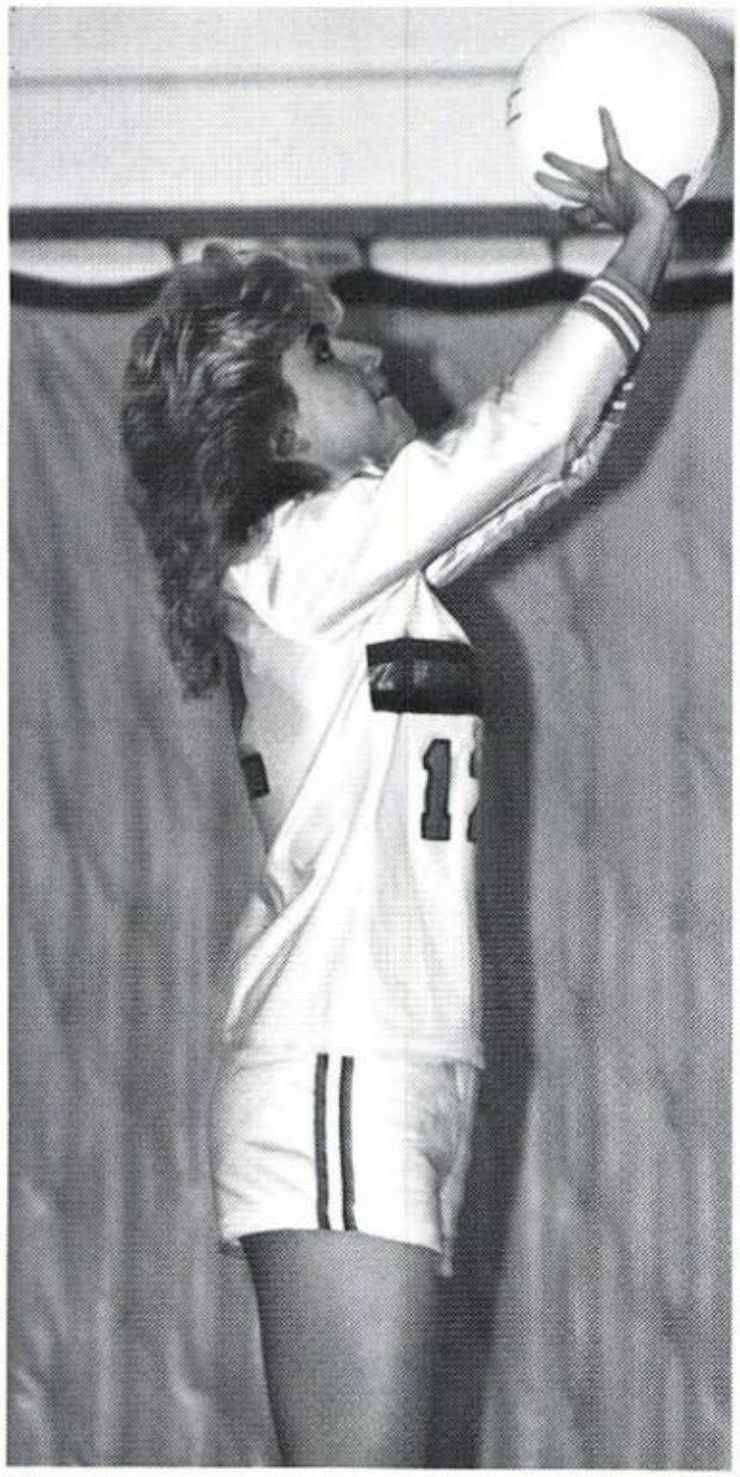
The Streak Continues

Coming off of a championship year, the Iron Dukes Cross Country team once again produced another great season. With all the top runners returning from last year's squad, the team extended their winning streak to 19, only to be snapped by a second place finish at the championship meet. Representing Marlboro on the All-League team are Don Jackson and Bill Bligh.

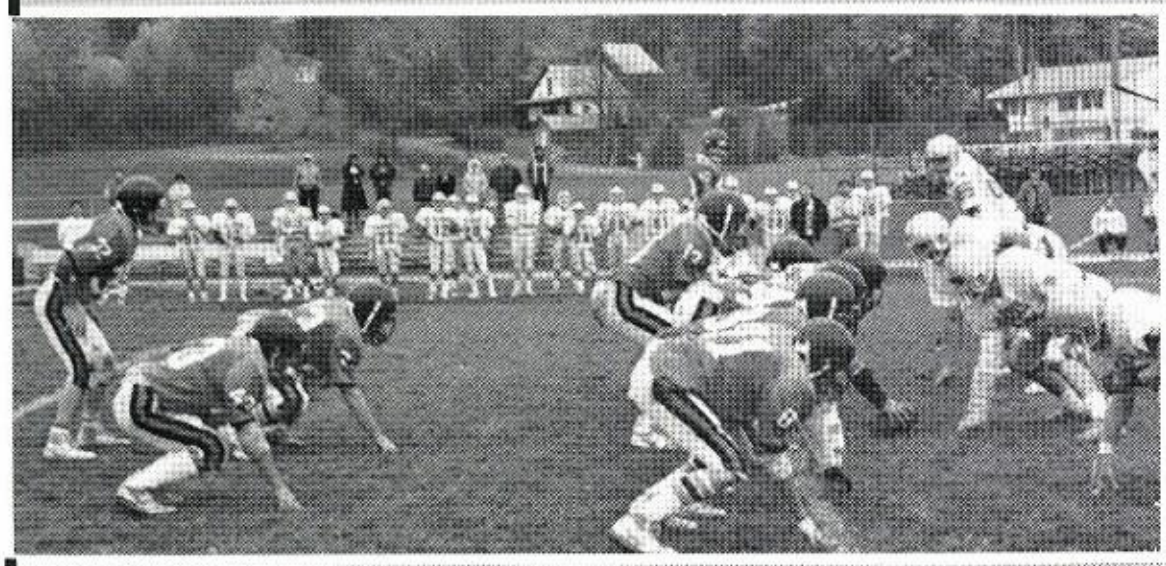


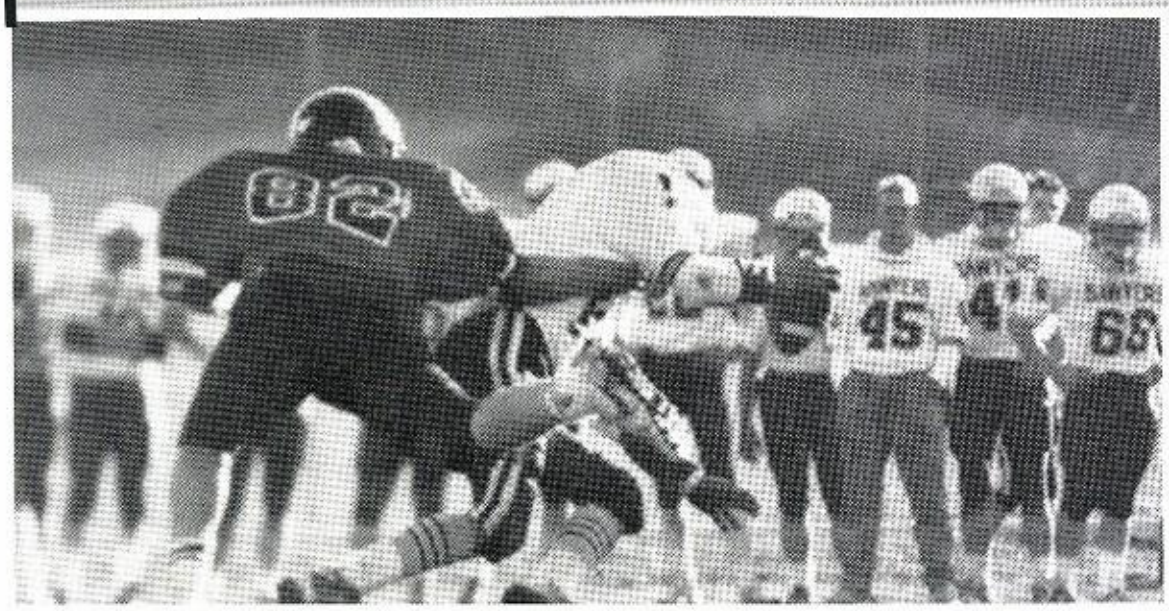
Spiking The Competition

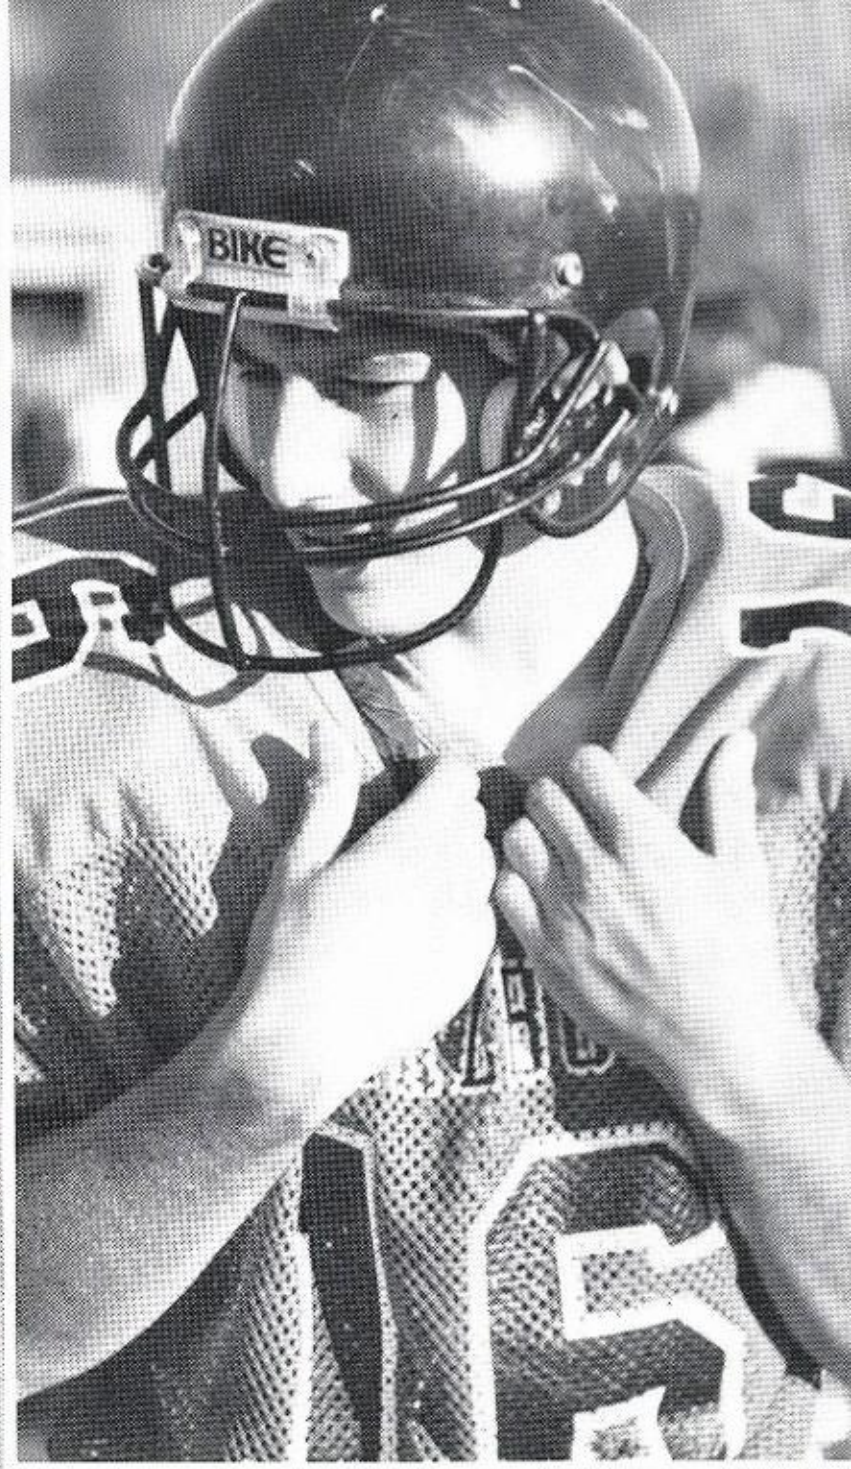


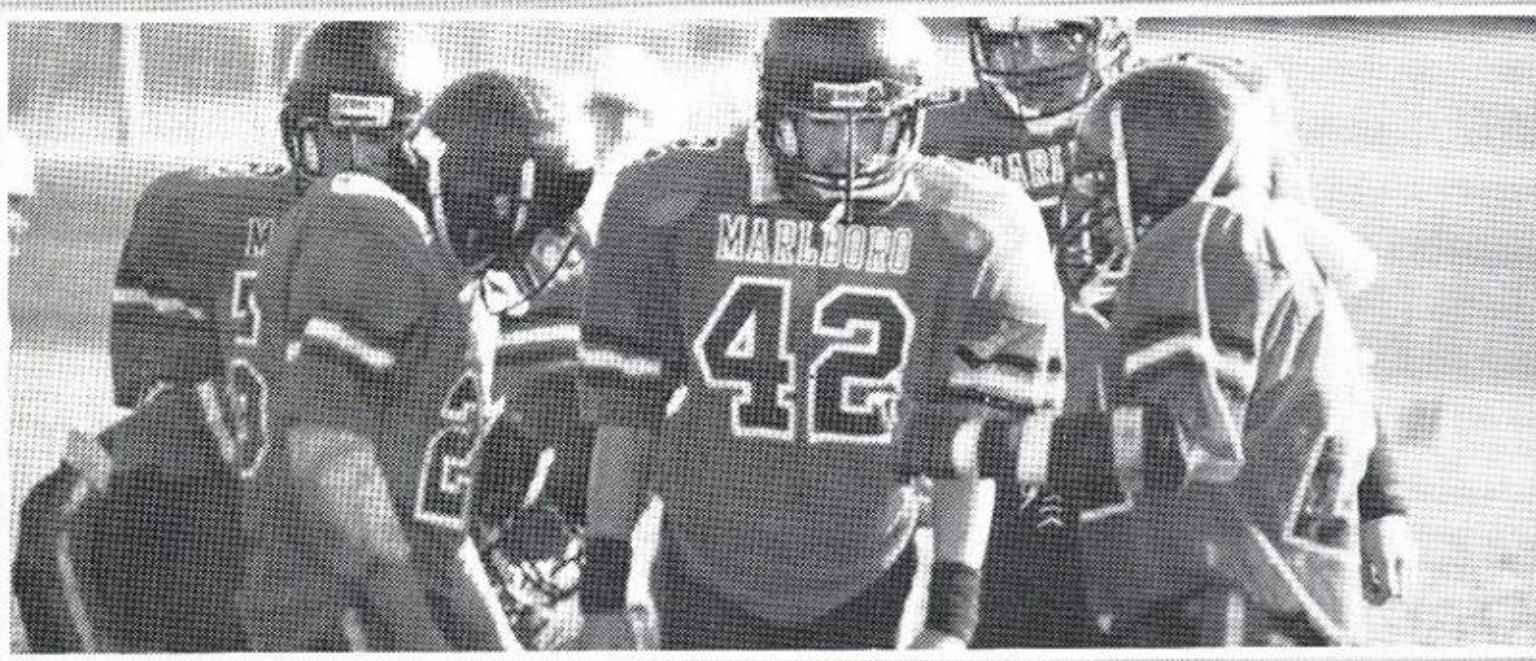
The Marlboro Volleyball team had an excellent season by finishing third in the League and making it to the semifinals of the Section 9 tournament. Representing Marlboro on the All-League team were Cheryl DiCapua, Nicky Mazzella, Shawn Conn, Kim Branning, and Lynn Houston.

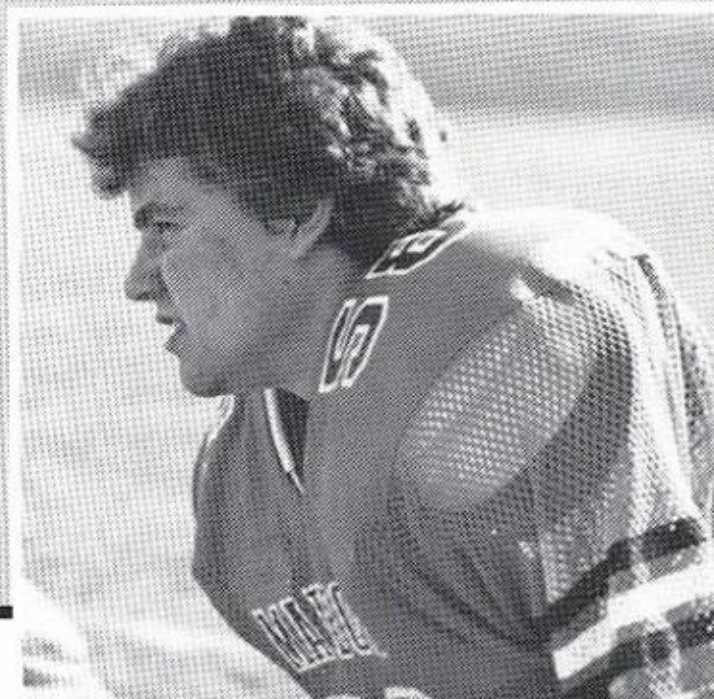
Planning For The Future

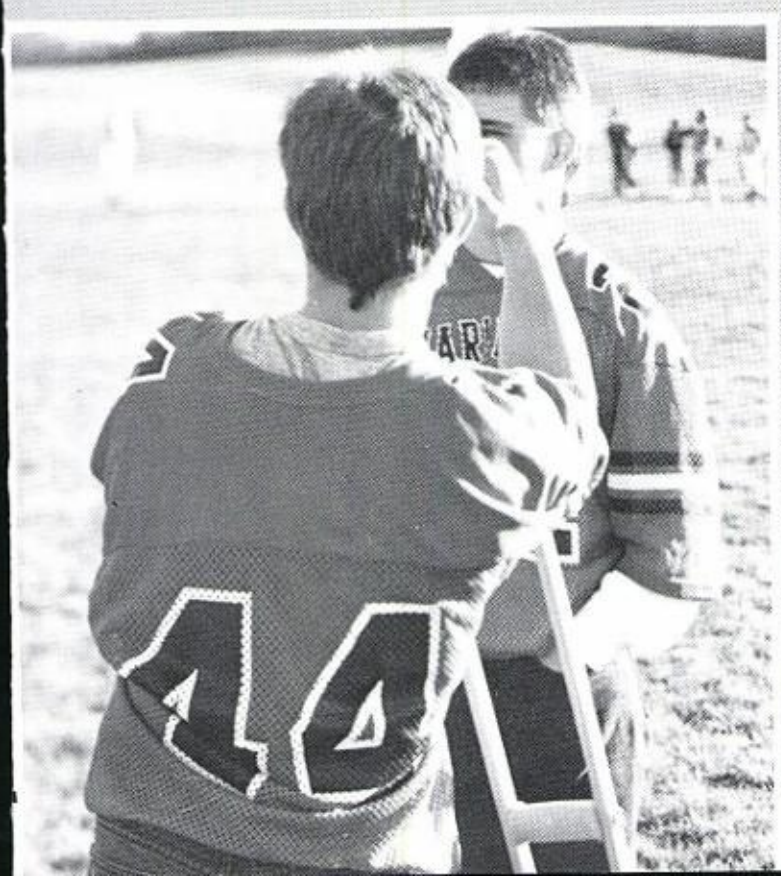












Hurt by graduation, the young Iron Duke squad was plagued by injuries and finished the season with a 1-9 record. The troublesome season did not affect the way the Dukes presented themselves on the field. The class and pride of Marlboro Dukes Football was still there.

For Mr. Onusko, the future looks bright, with one year under his belt as head coach, and most of his squad returning next year.

A Taste Of Victory

With an inexperienced squad, 1987 was only their second year of competition, the girl's swim team showed improvement with their first 2 victories ever. Although not a winning season, 1987 was a building block for future success. With a young nucleus, Coach Eachus expects marked improvement in the coming years.

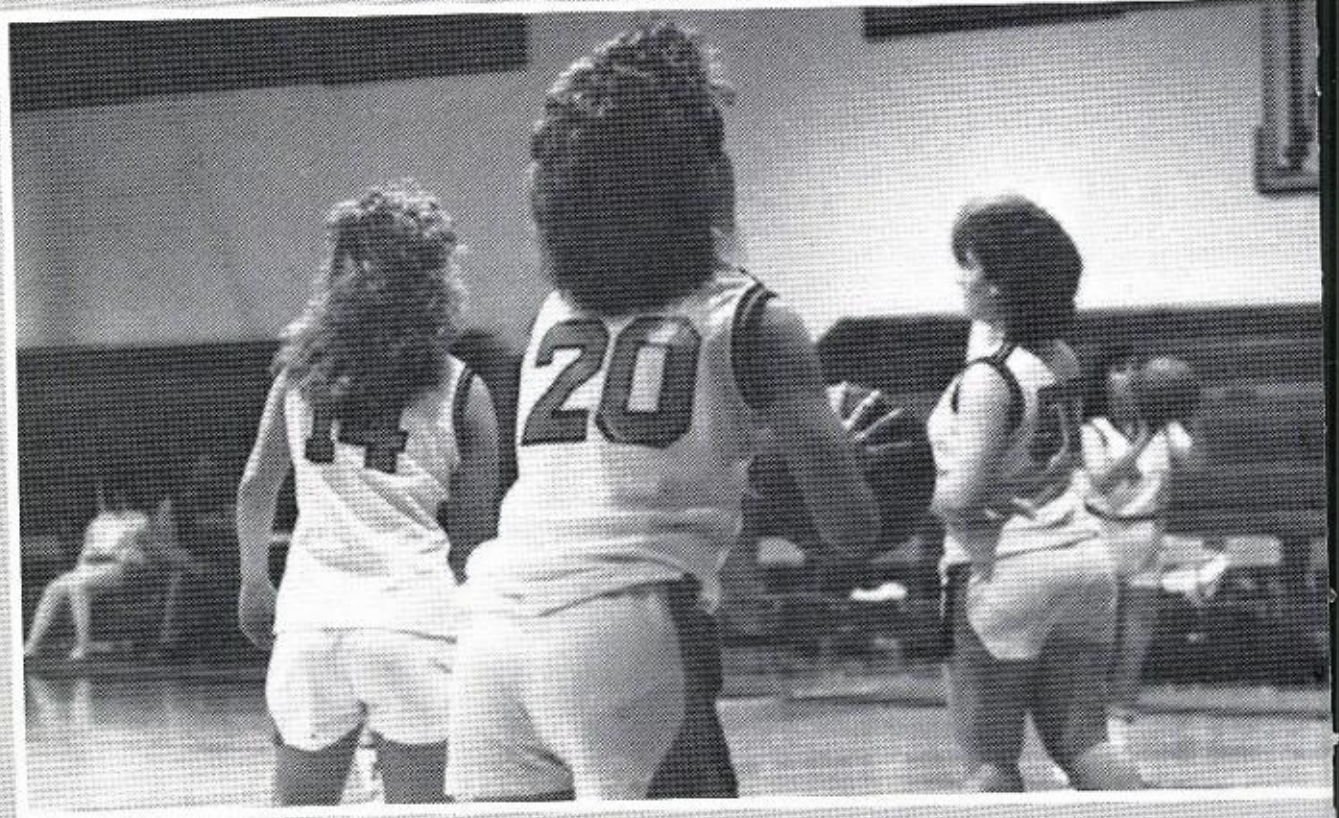
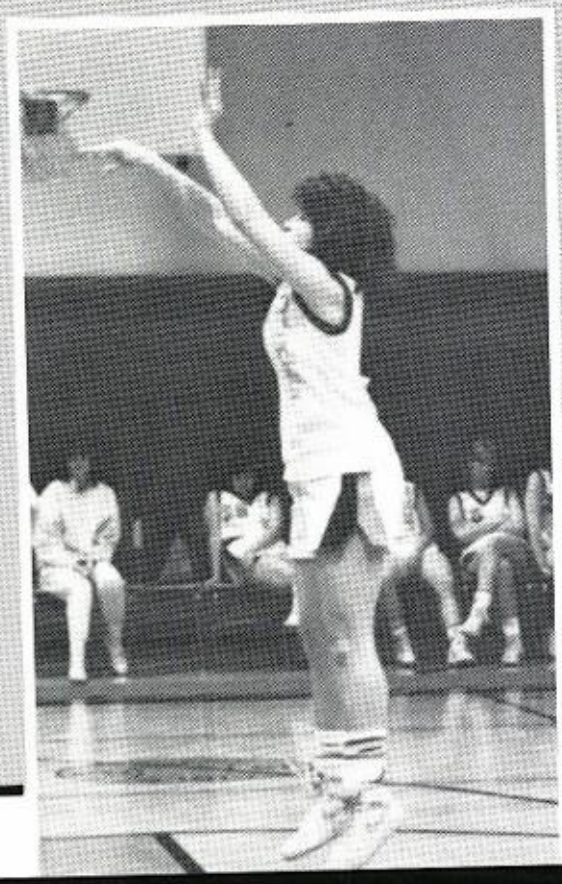
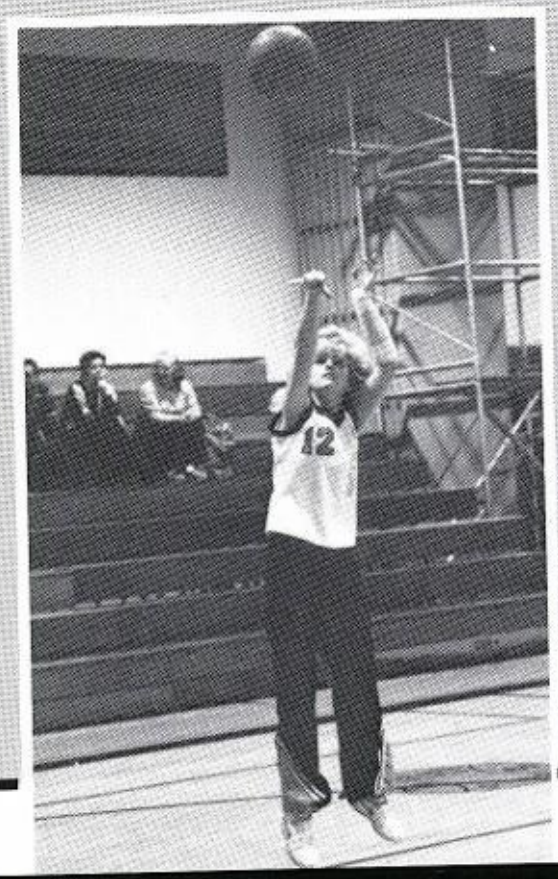
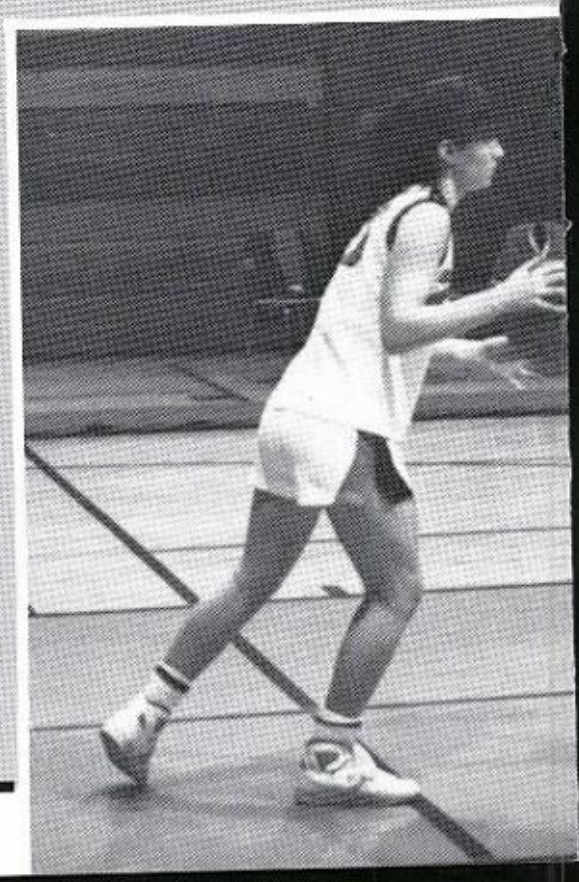
Basketball

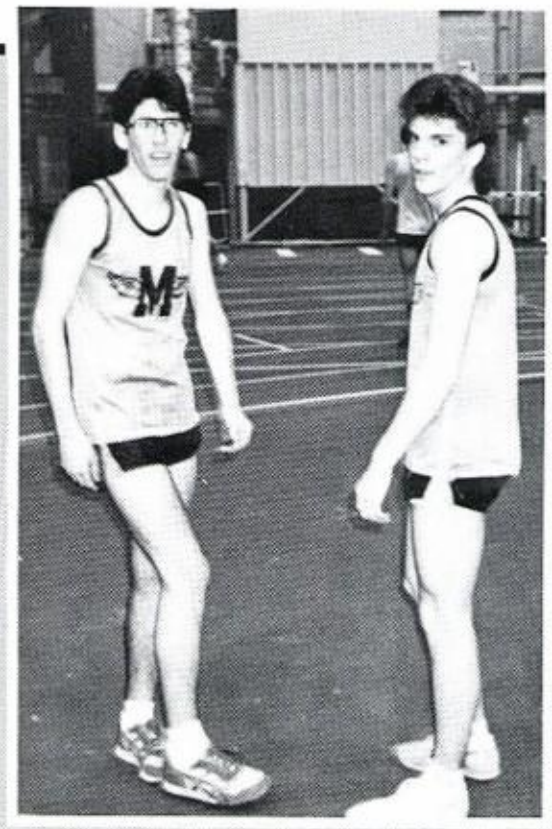
This season the varsity girl's basketball team finished up the regular season with only 3 losses. Under the guidance of Coach Ron Domanski, the varsity girls team will participate in sectional play. The team was lead by 3 seniors, Nicki Mazzella, Sandy McDonald, and Jodi Atkins. Next year's team should be equally strong with returning players Marcy Frost, Stephanie Crosby, Kim Branning and Shawn Conn.

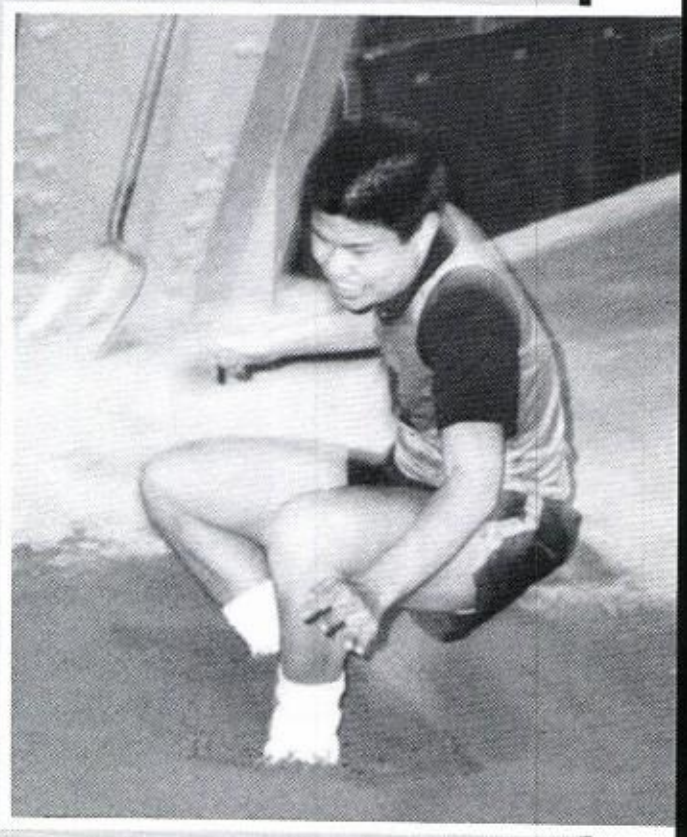






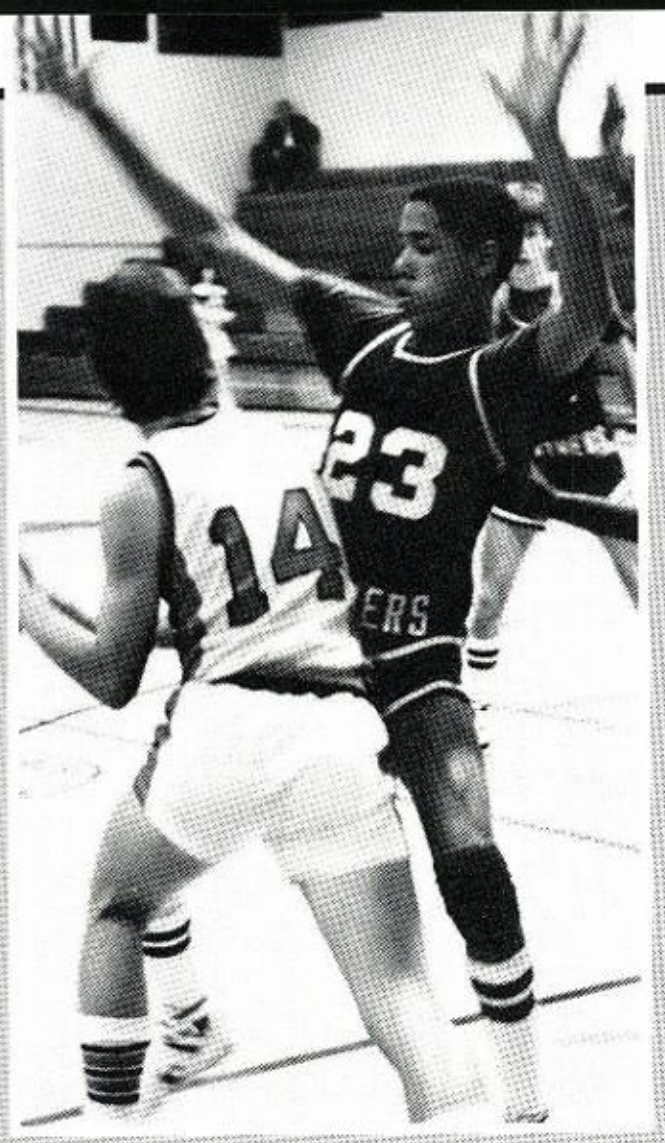


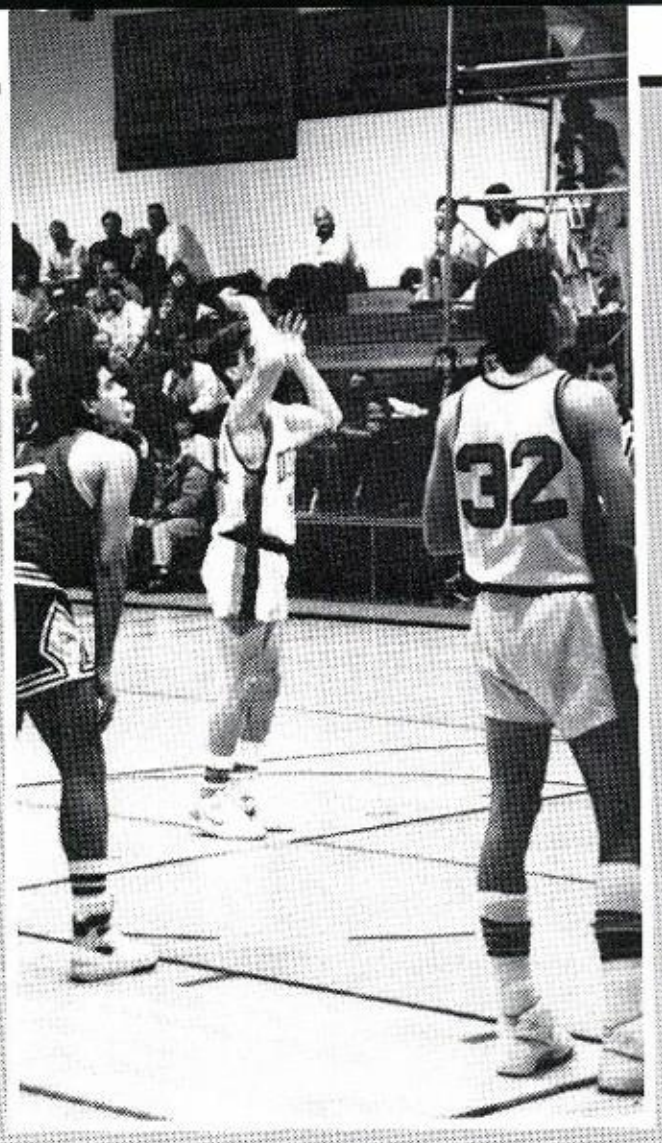


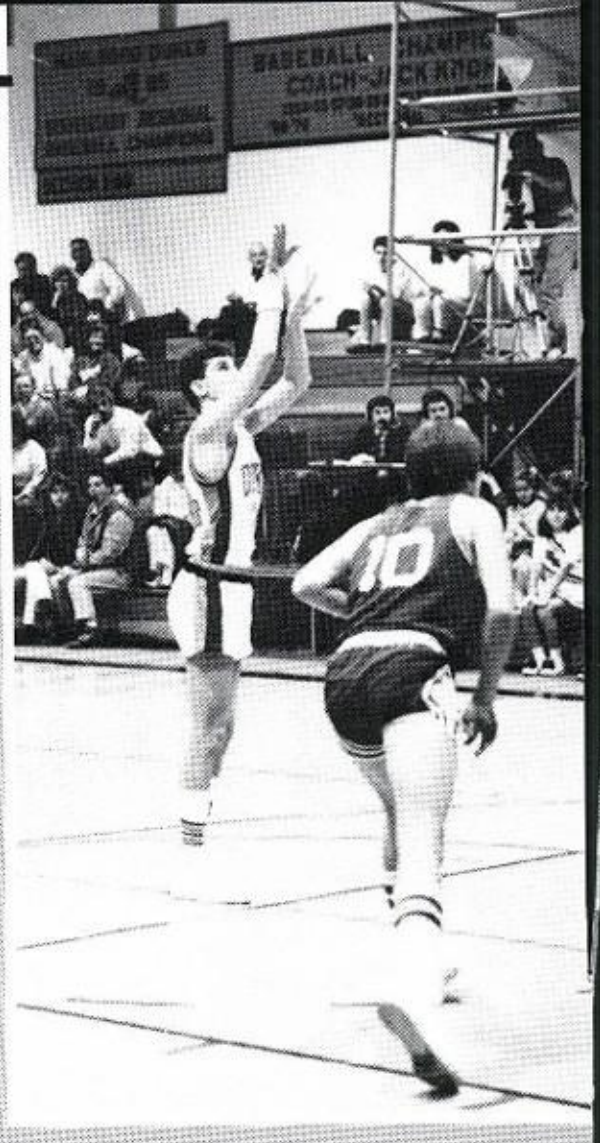


Running Around The Point

Members of the Marlboro Winter Track team compete for individual accomplishment as well as for the team as a whole. The Friday night meets at West Point produced competitors from schools such as Middletown, Cornwall and Monticello. Although many high scoring seniors will be leaving the team, Mr. Smith and Mr. Bleau have a strong foundation for future success.

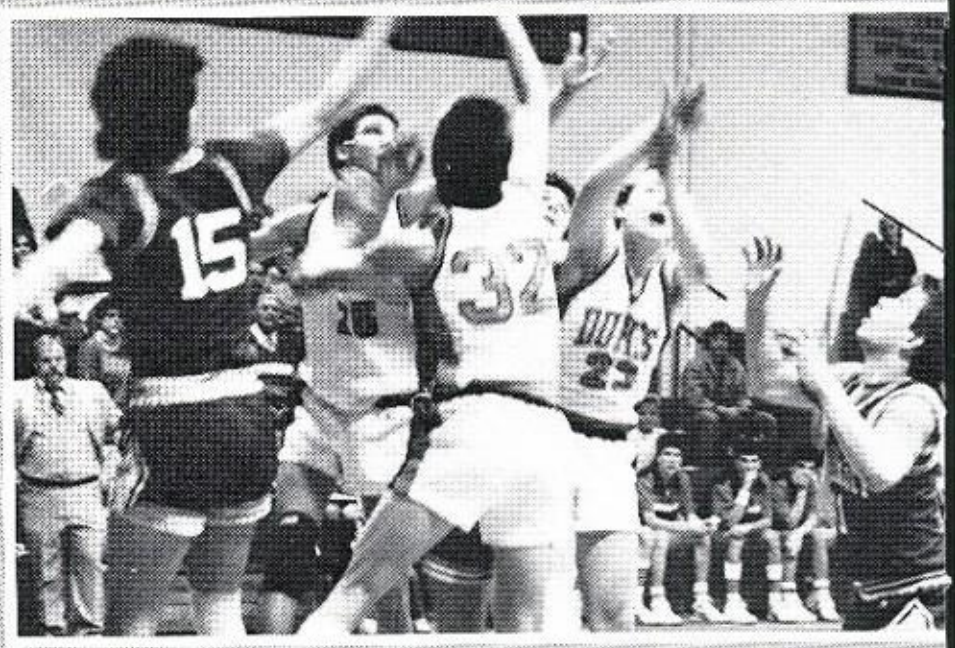


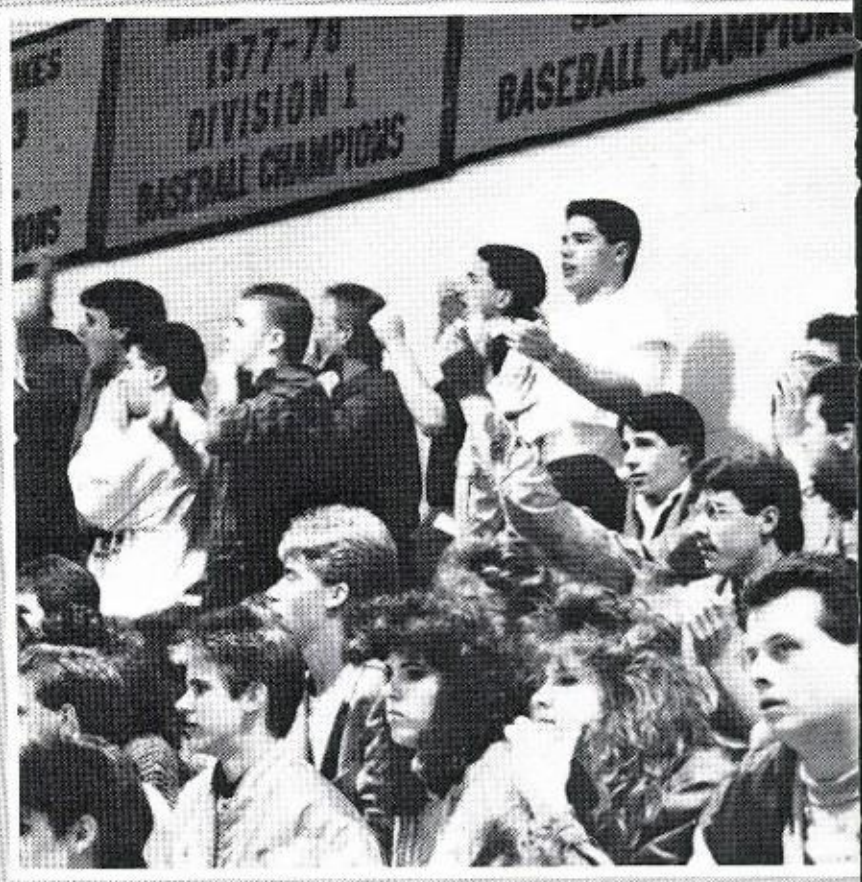




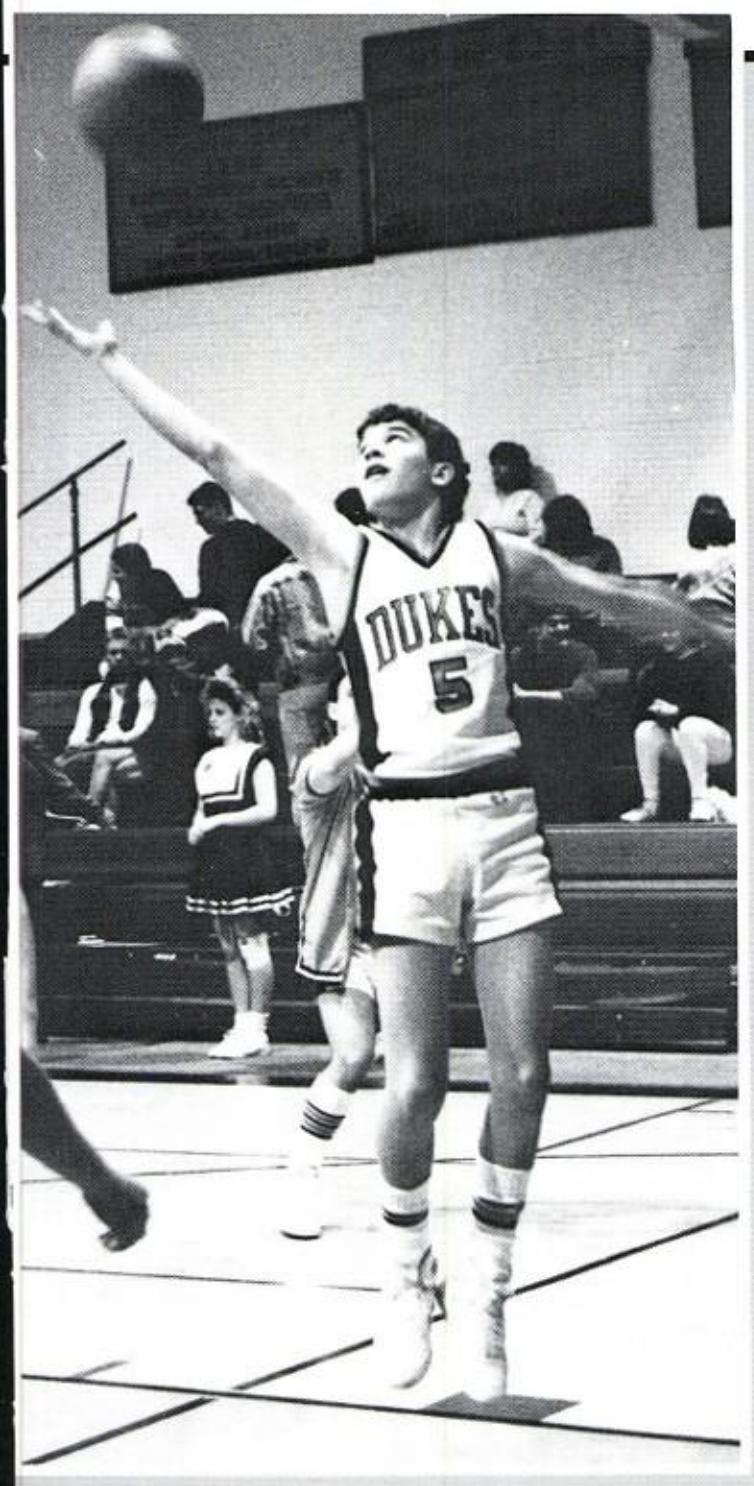
Although most of the players agree that it has been a disappointing season, all hope is not lost for the Varsity team. The arrival of the J.V. players will help to build a strong team for 1989.

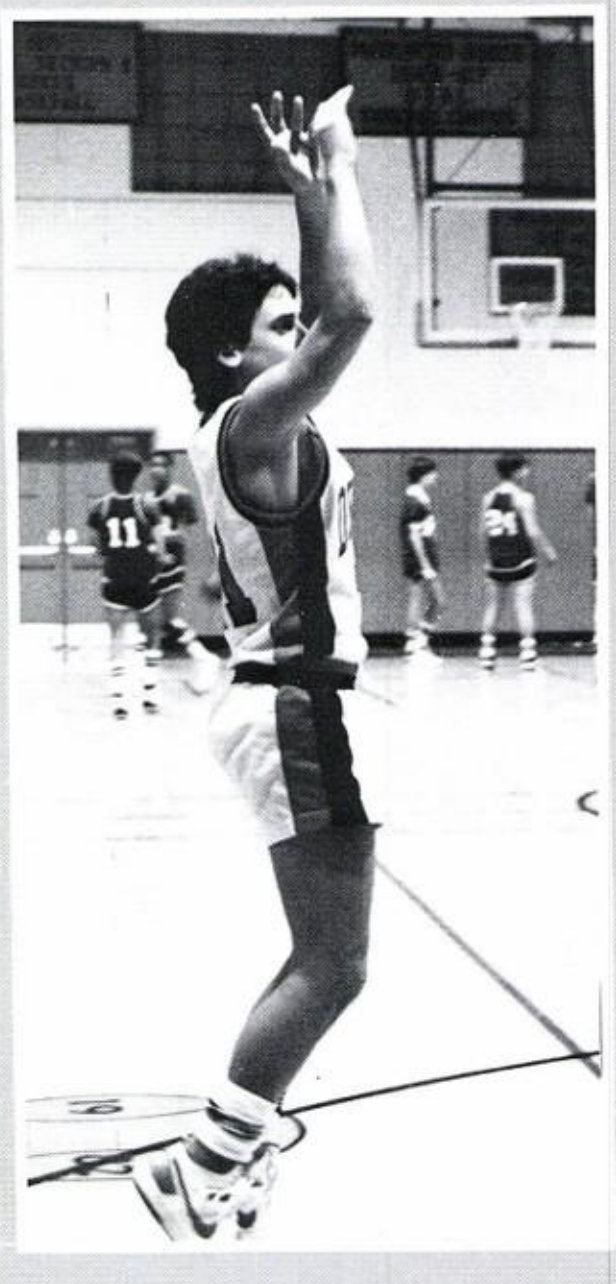
Under Coach Onusko the J.V. team had a fine year. Although many good players are going to the Varsity team, the team will hopefully continue to keep the ball rolling into another good season.

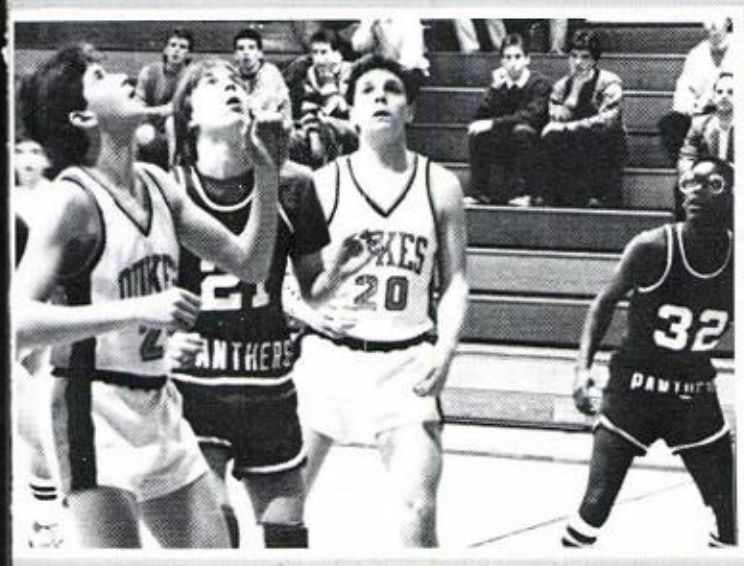




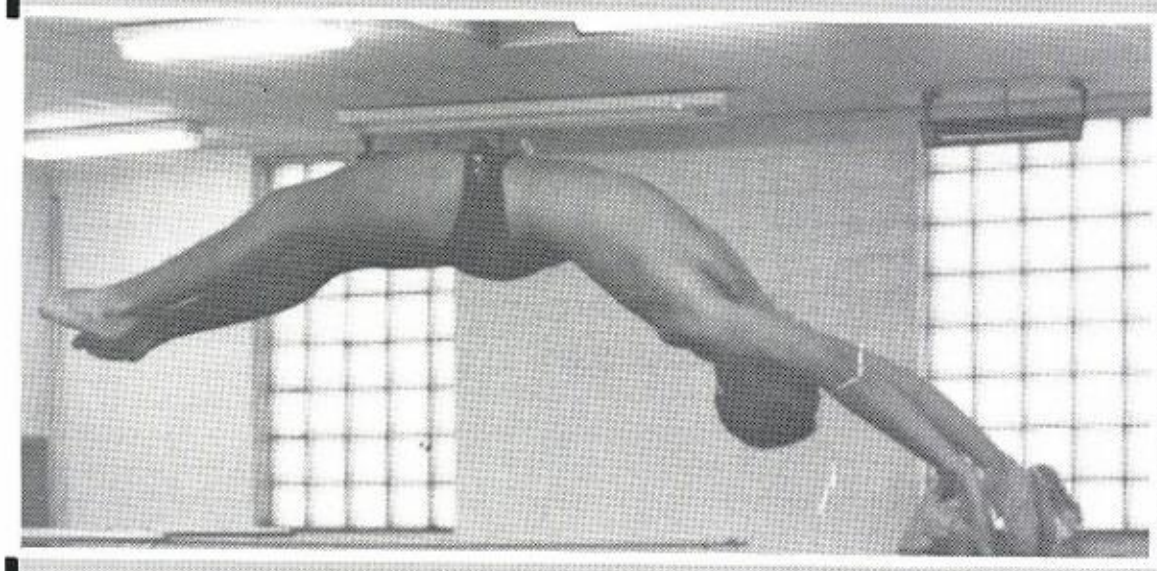
Bouncin' Around

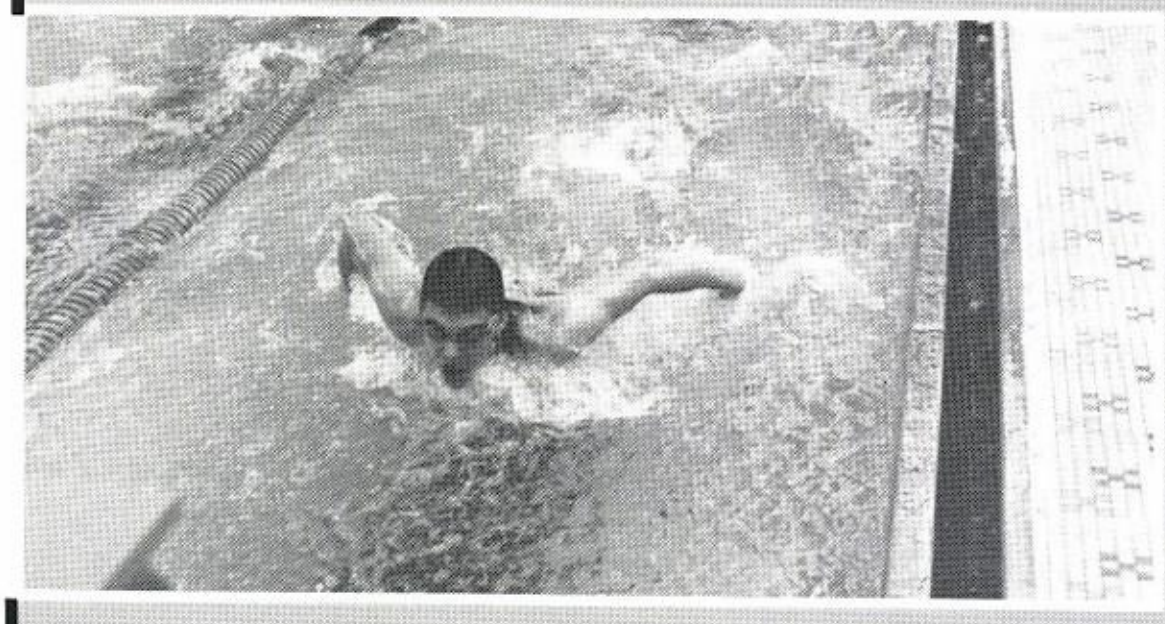






Return To Championship Form





The boys swim team had an excellent year as they won the National Division Title. The team easily beat the other teams in their division. Their record was 6-0 in the division and 9-3 overall. The team got a boost from captains George McDonough, Art Lyons and Ray Babcock. The team also had help from John Schmitz, Aaron Nuccitelli, and Doug Smith. The team loses four seniors but is still in good shape for next year. Congratulations swimmers and coaches.

IF

If you can keep your head when all about you are losing theirs and blaming it on you,
If you can trust yourself when all men doubt you, but make allowance for their doubting too;
If you can wait and not be tired of waiting, Or being lied about, don't deal in lies,
Or being hated don't give way to hating, and yet don't look too good, not talk too wise:

If you can dream- and not makes dreams your master; if you can think- and not make thoughts your aim,
If you can meet with Triumph and Disaster and treat those two imposters just the same;
If you can bear to hear the truth you've spoken twisted by knaves to make a trap for fools,
Or watch the things you gave your life to broken, and stoop and build 'em up with worn-out tools:
If you can make one heap of all your winnings; and risk it on one turn of pitch and toss,
And lose, and start again at your beginnings and never breathe a word about your loss;
If you can force your heart and nerve and sinew to serve your turn long after they are gone,
And so hold on when there is nothing in you except the Will which says to them: 'Hold on!'

If you can talk with crowds and keep your virtue, or walk with Kings-nor lose the common touch,
If neither foes nor loving friends can hurt you, If all men count with you but none too much;
If you can fill the unforgiving minute with sixty second's worth of distance run,
Yours is the Earth and everything in it, and - which is more - you'll be a Man, my son!
